For any questions regarding the features of your vehicle, please contact your preferred Kia dealer or Kia Consumer Affairs at (800) 333-4542

Reference your Owner's Manual or Car Multimedia System User's Manual, for more information on these features and other features that may be equipped on your vehicle

\*Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

**Safety Features:** No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive responsibly.

**Tilt/Telescoping Steering Wheel:** Never attempt to adjust steering wheel position when vehicle is in motion.

**Front Seat Headrest Adjustment:** Never attempt to adjust headrests when vehicle is in motion.

**Bluetooth® Wireless Technology:** A compatible Bluetooth® wireless technology-enabled cell phone is required to use Bluetooth® wireless technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. Other trademarks and trade names are those of their respective owners. A Bluetooth® enabled cell phone is required to use Bluetooth® wireless technology.

Apple CarPlay™ is a trademark of Apple Inc. iPhone®, Lightning® and iPod® are registered trademarks of Apple Inc.

Android Auto™, Android™ and Google Play™ are trademarks of Google, Inc.

While the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance or after the fact, and assumes no liability in connection with such changes.

## A Quick Start Guide to Some of Commonly Used Kia Vehicle Features

For vehicles equipped with Standard Audio Systems

## Pair Your Phone via Bluetooth® Wireless Technology

**NOTE:** Vehicle MUST be in Park

- 1 Ensure **Bluetooth®** wireless technology is turned "on" on your phone in order to search
- 2 Press the **PHONE** key next to the display or the **CALL** button on the steering wheel
- 3 On your phone display, select the vehicle name and pair (confirm passkey matches, or enter passkey if instructed)
- 4 Follow the instructions on your device to confirm the passkey displayed. Press **Ok** or **Pair** to complete pairing. Be sure to allow phonebook download and future autoconnection on your phone

**NOTE:** Ensure that only the "phone contact list" is selected for contact download (not Twitter, Facebook, or e-mail contact lists)

For any questions regarding the features of your vehicle, please contact your preferred Kia dealer or Kia Consumer Affairs at (800) 333-4542

## Using Steering Wheel Control Buttons\*†

**Voice button**

If **Android Auto** is connected, activates or ends Google voice recognition.

If **Apple CarPlay** is connected, activates or ends Apple CarPlay Siri recognition.

**CALL button**

Press the button to display the Dial Number screen.

**END CALL Button**

Press to end a call or reject an incoming call

## Steering Wheel Adjustment\*

When adjusting the steering wheel in and out, the effort is reduced if the wheel is lifted upward when pulling out/pushing in

## Standard Audio System Video

QR CODE

To view this video on your mobile device, SNAP this QR code, or visit the listed website below

**NOTE:** If your phone is paired and connected through **Bluetooth® Wireless Technology**, it is necessary to select media mode to hear the video's audio

\*If equipped

## Front Seat Headrest Adjustment\*

**To adjust headrest forward\*:**  
Pull headrest forward at an angle to one of several positions

**To adjust headrest back\*:**  
Pull headrest completely forward at an upward angle, then release

**To raise headrest:**  
Pull headrest up

**To lower headrest:**  
Press lock, then press the headrest down

**To raise headrest, pull headrest up to the desired position**

**To lower headrest, press and hold the release button and lower headrest to the desired position**

## Apple CarPlay & Android Auto

### Android Auto™\* – Setting up Android Auto™

- 1 From an Android Auto™ compatible device, download the Android Auto™ app from the Google Play™ Store
- 2 Open the Android Auto™ app and proceed with the on-screen instructions to complete setup on the mobile device

#### How to start Android Auto™:

- 1 Press the **SETUP** key on the head unit
- 2 Press the **Phone Projection** button, select Android Auto™ then select **ENABLE ANDROID AUTO**. Accept all terms, conditions and requests on the head unit and phone in order to use Android Auto™
- 3 Connect the Android™ device with the vehicle's USB port using the manufacturer's cable provided with your phone
- 4 From the vehicle's home screen, select the Android Auto™ button, where you'll see all the Android Auto™ supported apps

**REMINDER:** Android Auto compatibility requirements: Micro-USB cable that came with your phone, OS Android™ 5.0 or higher, compatible Android smartphone and data and wireless plan for applicable feature(s). It is recommended to always update your phone to the latest operating system release

### Apple CarPlay®\* – Setting up Apple CarPlay®:

- 1 On the head unit, press the **SETUP** key
- 2 Press the **Phone Projection** button, select Apple CarPlay® then select **ENABLE APPLE CARPLAY**. [Accept all terms, conditions and requests on the head unit and phone in order to use Apple CarPlay®]
- 3 Connect the Apple CarPlay® compatible iPhone with the vehicle's USB port using the manufacture's cable provided with your iPhone
- 4 From the vehicle's home screen, select the Apple CarPlay® button, where you'll see all the Apple CarPlay® supported apps

**REMINDER:** Apple CarPlay compatibility requirements: Apple Lightning® cable, iPhone 5 or later and data and wireless plan for applicable feature(s). It is recommended to always update your phone to the latest operating system release

## Radio Presets

### How to Save a Preset

- 1 Tune to the desired station and press and hold one of the preset buttons to save the AM/FM preset

\*If equipped

## Custom Key\*

☆ is a programmable key to provide quick access to one of several available system features

### To Program the Custom Key

- 1 Press the **SETUP** Key
- 2 Press the ☆ Custom Button
- 3 Select one of the available features you would like the Custom Key to open

## Climate Control Systems

Climate Control System functions differ between systems and vehicles. Presented below are descriptions of the most common control functions:

|                                    |                                   |                                   |
|------------------------------------|-----------------------------------|-----------------------------------|
| Fan speed control switch/knob*     | Automatic climate control button* | Rear windshield defroster button* |
| Temperature control switch/knob*   | Recirculated air button           | Mode selection button(s)*         |
| Front windshield defroster button* | Climate information screen*       | Dual temperature control mode*    |
|                                    | Air conditioning ON/OFF button    | System OFF*                       |

**NOTE:** Climate Control System options and the appearance and location of icons on the system in your vehicle may differ, as equipped

### QUICK TIPS

- Keep interior glass surfaces as clean as possible to reduce window fogging
- Defrost Mode activates A/C and opens Fresh Air Vent
- When Automatic Climate Control is set to Auto Operation, the A/C indicator will NOT illuminate. The fan speed, air intake, air flow and air conditioning may automatically be engaged at any time to reach desired temperature and reduce humidity

### Automatic and Manual Defrosting / Defogging

#### Max Defrost:

- 1 Select **Defrost** Mode
- 2 Select **Max Fan Speed**
- 3 Set **Temperature** to Hot

#### Defogging:

- 1 Select **Defrost** Mode
- 2 Select **Max Fan Speed**
- 3 Set desired **Temperature**

\*If moisture appears on windshield, adjust **Temperature Control Knob** to a warmer temperature

## Media Mode\*

Media mode includes a variety of modes, such as USB, iPod®, **Bluetooth®** Audio, and Aux

- 1 Insert your media. Press the **MEDIA** key repeatedly to scroll through a list of connected devices

- 1 Listening to your iPod®  
Connect an iPod® device or, if an iPod® device is already connected, repeatedly press the **MEDIA** key until iPod® appears on the display

**NOTE:** Use the iPod® cable that was supplied with your device

### Listening to Music from your Bluetooth® Wireless Technology Device

- 1 If not already done, pair your **Bluetooth®** wireless technology device to the Audio System
- 2 Press the **MEDIA** key, until **Bluetooth® Audio** is displayed on the screen
- 3 Press the **Seek/Track** key to scroll through music songs
- 4 To pause a track or song streaming from your **Bluetooth®** wireless technology device, press **PLAY/PAUSE** button on screen

**NOTE:** Make sure that the listening volume on your mobile device is turned up

## Sound Settings

- 1 Press the **SETUP** key
- 2 Select the on-screen **SOUND** button, **SOUND SETTINGS** or use the tuning knob
- 3 Select the menu item (Position, Volume, Tone, Priority\*, Navigation Volume\*, Advanced\*, Default)
- 4 Use the onscreen buttons or tuning knob to adjust settings
- 5 Press the return button to save settings. **DISPLAY** key turns the display on/off
