

Features & Functions Quick Reference Guide

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device's camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

To access the FULL version, click [HERE](#) or scan the QR code below.

This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.

While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Bluetooth® Wireless Technology† 2,7

- A Volume button:** Press up/down to raise/lower speaker volume
Mute button: Push to mute the microphone during a call
- B Voice Recognition button:** Press to activate voice recognition/bring up menus with voice command prompts from the system. Press and hold to exit voice recognition; Press and hold to start voice recognition of a connected smartphone via phone projection (button operation may vary depending on smartphone specifications)
- C Call/End Call button:** Press to receive/place/end calls. In vehicles with navigation, if no phone is paired, press button to pair a phone

QUICK TIPS

- Phone book transfer upload time varies by phone model and with number of phone book entries
- When using the voice command feature, wait for the system to BEEP before speaking the command
- Because of differences in phone quality, service providers and Bluetooth® Wireless Technology chip programming, functionality may differ from one phone to another
- The system may register or pair multiple Bluetooth® devices. See the Car Infotainment System's Quick Reference Guide for more information on setup and limitations

(Type B shown)

Pairing a Phone

For instructions on how to pair a phone, refer to the Car Infotainment System's Quick Reference Guide or your vehicle's Quick Start Guide.

QUICK TIP

During the pairing process, be sure to accept the connection requests on the phone for contacts download and to allow acceptance of all future Bluetooth® connection requests.

How to Place a Call

- **Option 1:** Press the Call / End Call button **C** (displays the phone screen with call history)
- **Option 2:** Press the Voice Recognition button **B**. Then say the command "Call {name}" or "Dial {number}" followed by contact name or number

QUICK TIPS

- When using the voice command feature, wait for the system to BEEP before speaking the command
- Bluetooth® Music Streaming - If the Bluetooth® music is inaudible or too low, you may need to turn up the volume on the connected phone

Bluetooth® wireless Technology audio and calling functions are supported when connected to a Bluetooth® enabled device (sold separately).

Your vehicle's steering wheel buttons may differ from those in the illustrations. See your Owner's Manual for more details.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

For more information, refer to the Car Infotainment System Quick Reference Guide. For Bluetooth® Wireless Technology FAQs, go to www.kia.com, Owners section, or call Consumer Information for Bluetooth® Technology at (800) 333-4KIA. Refer to your Owner's Manual for more specific Bluetooth® Wireless Technology phone pairing and operation instructions.

Voice Recognition*†2,7

Voice Recognition and Phone Contact Tips:

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the *Bluetooth*® Wireless Technology Voice Recognition system, see other tips and reminders under Quick Tips:

- Use full names (first and last names) vs. short or single-syllable names (e.g., "John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (e.g., @, &, #, /, -, *, +, etc.)
- Avoid using acronyms (e.g., "In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations (e.g., "Doctor Smith" vs. "Dr. Smith")

QUICK TIPS

- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the system to BEEP before speaking any commands
- Open windows, weather (wind/rain), or an A/C fan operating at higher speeds can interfere with Voice Recognition. Close windows and turn off A/C to prevent interference
- Press the talk button and say "Help" to get a list of available commands
- The system may register or pair multiple *Bluetooth*® devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations

REMINDER: *Bluetooth*® Wireless Technology audio and calling functions are supported when connected to a *Bluetooth*® enabled device.

Infotainment / Climate Switchable Controller

The **Infotainment System / Climate Control mode switching button** allows you to toggle between the Infotainment System and Climate Control Modes. In Infotainment System mode, the  **A** icon is highlighted. In Climate Control mode, the  **B** icon is highlighted.

Press and hold the Switchable Control button   (anywhere on the button is pressable) to set the default button display mode.

Your vehicle's Infotainment and Automatic Climate Control Systems may differ from the illustrations.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Kia Connect Activation*†1

Follow these steps to activate your Kia Connect system:

1. Enter the activation screen on your vehicle's head unit:
 - a. Press the **SETUP** key
 - b. Press Kia Connect icon
 - c. Press Activate Kia Connect
2. Read and agree to Terms of Service and Privacy Policy and press SUBMIT
3. Enter number or email address to receive a verification code, then press SUBMIT
4. Check your phone SMS or email for verification code and follow these steps to continue Kia Connect activation:
 - a. Open the link in your SMS or email. A page will open requesting that you create your account
 - b. Enter your first name, last name, email, phone number, an account password, and click CREATE ACCOUNT. A page will open displaying your verification code
 - c. Enter the code in the head unit and press ACTIVATE
 - d. Go back to the page with your verification code and press "I have entered my verification code." A link will be provided to download the Kia Access App from your app store. After installing the app, log in and enjoy

For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.

Kia Connect may be unavailable for model year 2022 and later vehicles sold or purchased in Massachusetts.

Kia Connect Assistance*†1

Kia Connect  **A** - Press to connect to a virtual assistant to hear information about the Kia Connect features

Roadside Assist  **B** - Press to connect to a Roadside Assistant where you can request vehicle towing services

REMINDER: These buttons may be located in the rearview mirror or the overhead console.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.

Refer to the Car Infotainment System Quick Reference Guide for more information.

Kia Access App Download

Go to an app marketplace to download the Kia Access App. Once you download the app, make sure you register your vehicle and start an account (refer to Kia Connect Activation page). Get to know your new Kia and the available convenient features on the app.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with good wireless signal strength in order to use Kia Connect^{†1}. If these conditions are not met, remote commands may not execute or may take longer to execute. It will also affect voice commands
- To use Remote Start or Remote Start with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- When Remote Start is activated, if the driver does not enter the vehicle within 10 minutes, the Remote Start will turn the engine off
- When using Remote Start with Climate Control, turn on the vehicle before getting in, to allow enough time for the vehicle's interior to reach your desired temperature
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- In order to preserve the vehicle battery, Kia Connect^{†1} will not turn on seven days after the last ignition was on. You will need to restart the vehicle with a key fob in order to use Kia Connect^{†1} again
- Do not use Remote Start Climate Control or Remote Start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a Remote Climate Control or Remote Start command

Kia Access App Features Guide

The Kia Access App Features Guide is a guide to help you utilize the app to its full potential by detailing each feature and how to adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate
- Schedule Remote Start/Climate
- Schedule Charge
- Schedule Service
- Dealer Settings
- Manage Vehicles and Profiles

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation.

For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.

Vehicle Settings* - Infotainment System

To enter the Vehicle Settings mode in the Infotainment System, press and hold the Mode button  **A**. While the POWER button^{1,3} is in the ON position, you can also enter the Vehicle Settings by pressing the **SETUP** key or the onscreen **SETUP** button, when the vehicle is at a standstill and the Rotary Dial Shifter Knob is in Park. Then select **VEHICLE** to enter the Vehicle Settings menu.

Type 1 Vehicle Settings*:

Driver Assistance:

- Driver Assistance
- SCC Reaction
- Driving Convenience
- Warning Timing
- Warning Volume
- Driver Attention Warning
- Forward Safety
- Lane Safety
- Blind-spot Safety
- Parking Safety

Drive Mode:

- ECO / Normal / Sport
- Drive Mode Change Alert
- Reset ECO / Normal / Sport Coasting Guide
- Start Coasting

ECO Vehicle*:

- Smart Regeneration System
- Charging Connector Locking Mode
- Green Zone Drive Mode

Active Sound Design*:

- Largest, Moderate, Smallest, Change/Off
- Advanced Settings

(Buttons located on left side of Steering Wheel)

Head-up Display:

- Enable Head-up Display
- Display Control
- Content Selection
- Speedometer

Cluster:

- Service Interval
- Energy Consumption
- Content Selection
- Cluster Voice Guidance Volume
- Welcome Sound

Climate:

- Recirculate Air
- Automatic Ventilation
- Defog/Defrost Options
- Climate Features

Driving while distracted is dangerous and should be avoided.

Do not attempt to change vehicle system settings while driving.

Actual vehicle settings may vary by model. For more information, refer to the Car Infotainment System Quick Reference Guide.

Screen illustration is for demonstration purposes only.

- Wireless Charging System

Wireless Smartphone Charging System*†8

Charge a compatible Qi Certified smartphone wirelessly by placing it on the charging pad **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Charging in the Vehicle Settings on the Infotainment System. Press the **SETUP** button, then press VEHICLE to enter Vehicle Settings. Select CONVENIENCE then select WIRELESS CHARGING SYSTEM
2. Place a compatible smartphone on the center of the charging pad **A**
3. Indicator light **B** may change to amber once the wireless charging begins
4. Once charging is complete, the amber light may change to green

QUICK TIPS

- The smartphone must be a compatible phone with Qi function available
- Wireless charging must be enabled in User Settings* in the Instrument Cluster LCD or the Vehicle Settings* in the Infotainment System
- If wireless charging does not work, move smartphone around the pad until the charging indicator turns amber. Avoid placing other metal items in the bin while charging so as to not to impede the charging area
- For wireless charging to occur, all doors (excluding rear hatch) must be closed and the Smart Key Fob must be detected inside the vehicle and the driver's seat belt must be on

REMINDERS:

- Some smartphone models are not Qi certified, which may affect the speed or performance of the wireless charging
- Wireless charging technology allows for a device to be charged using inductive charging. See your Owner's Manual for more detailed information and the back page for legal disclaimers
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- Charging Performance - Device position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate includes foreign objects, such as coins or pens, and phone case thickness
- If driver door is opened, charging will be disabled

Refer to the section 4 in the Owner's Manual for warnings and instructions.

Images are for illustrative purposes only and may not reflect actual feature or operation.

Requires Qi enabled device or Qi enabled case

(Located behind Gear Shift. Qi-enabled smartphone shown is for representation only, and is not to scale.)

Smart Key with Remote Start / Remote Smart Parking Assist (RSPA)*†3,4

Smart Key Fob:

- A** Press to lock All Doors. Press twice within 2 seconds to sound the horn
- B** Press to unlock Driver's Door. Press twice in 4 seconds to unlock All Doors
- C** Press and hold for more than 1 second to unlock Liftgate.

Manual liftgate: Lift the Liftgate handle to manually open Liftgate

REMINDER: The Liftgate unlocks when the Smart Key fob is within close proximity of the vehicle Liftgate.

- D** Press and hold more than 0.5 seconds (half a second) for Panic Alarm. To turn off Alarm, press any button
- E** Press to release Mechanical Key (on reverse side of fob)

Mechanical Key **F**:

- Use to lock/unlock Driver's Door by turning once or all doors by turning twice
- Use to enable/disable Child Safety Locks
- Use to unlatch rear center seatbelt lower anchor

Remote Start* **G:** Lock the doors by pressing the door lock button **A** within 32 feet distance from the vehicle. Within four (4) seconds of pressing the door lock button **A**, press and hold the Remote Start button **H** for more than two (2) seconds to start the vehicle. To stop the Remote Start operation, press the button again. If the driver does not enter vehicle within 3 minutes of starting the vehicle, the vehicle will automatically turn off.

Remote Smart Parking Assist (RSPA)* - To park or exit a parking space remotely use **I** and **J** as needed. For more information, see your Owner's Manual or scan the QR code.

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the POWER button (Lock button side closest) and press to start vehicle
- The Smart Key's signal can be blocked by the normal operation of a cell phone or smartphone. To help prevent this, store each device separately

REMINDERS:

- Remote button configuration may vary depending on vehicle options
- One/two button turn logic can be changed in User Settings* in the Instrument Cluster LCD or the Vehicle Settings* in the Infotainment System
- When reinserting the mechanical key, make sure it is pushed all the way in until there is a click sound

QR CODE

Refer to section 4 in the Owner's Manual for more information.

Smart Power Liftgate*†5

The Smart Power Liftgate can be operated from several controls to either open, close or lock the Liftgate. The Smart Power Liftgate will close the Liftgate, lock all doors and Liftgate and then arm the vehicle.

Opening/Closing from Inside the Vehicle:

Press and hold the Smart Power Liftgate Open/Close button* **A** to automatically open/close the Liftgate.

(Button on driver's panel to the left of steering wheel)

Opening/Closing from Outside the Vehicle:

To open the Smart Power Liftgate* automatically, press the Liftgate Release button **B** on the exterior of the Liftgate. Automatically close by pressing the Smart Power Liftgate Close button* **C** located inside the Liftgate lid.

QUICK TIP

To cancel the Smart Power Liftgate while automatically opening or closing, press any button on the Smart Key fob.

QR CODES

Smart Liftgate Operation, Opening Height/Speed Adjustment Video

Refer to the inside front cover for more information on QR codes.
www.youtube.com/KiaFeatureVideos

Refer to section 5 in the Owner's Manual for more information.

User Settings: The Smart Power Liftgate is on by default. To adjust the settings for Opening Height and Opening Speed, press and hold the Mode button  on the left side of the Steering Wheel, or press the **SETUP** key/button on the Infotainment System. Select the onscreen **VEHICLE** button to enter the Vehicle Settings. Go to DOOR, SMART LIFTGATE.

- **Opening Height:** Select POWER LIFTGATE HEIGHT and choose one of the optional steps to manually program the Opening Height:
 - Open Liftgate and manually position the Liftgate to your preferred opening height
 - Depress and hold the close button on the Liftgate for 3 seconds or more
 - Once the system sounds the alert that the programming is complete, manually close the Liftgate
- **Opening Speed:** Select POWER LIFTGATE SPEED and choose FAST or NORMAL

(Exterior Liftgate Release button located on underside of liftgate. Interior Smart Power Liftgate Close button located on inside of liftgate.)

Auto Open (Opening with no-touch activation):

When the Smart Key fob is on your person and you are near the back of the vehicle, within close proximity, the hazard lights will blink and a chime will sound for about 3 seconds as an alert that the Smart Power Liftgate is about to open.

Then the alert system will blink and chime two additional times before opening the Smart Power Liftgate.

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2023 and newer Kia vehicles with Kia Connect includes a complimentary 1-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 1-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Connect may currently be unavailable for Model Year 2023 and later and newer vehicles sold or purchased in Massachusetts; please see the Kia Owners Portal for updates on availability. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Android Auto™, Apple CarPlay®, Bluetooth® Wireless Technology, Google Play™ Store, iPhone®, SiriusXM®, Sportmatic®, HomeLink®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 3. Power Button with Smart Key:** Always come to a complete stop before turning the power on or off. However, if you have an emergency while the vehicle is in motion and must turn the power off, you can turn the power off to the ACC position by pressing the Power button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the power by pressing the Power button with the shift lever in Neutral (N). With the power off, hydraulic power assist for steering and braking will be disabled and the vehicle will be more difficult to control.
- 4. Remote Smart Parking Assist (RSPA):** When engaged, these features are not substitutes for safe driving, and may not detect all objects surrounding vehicle. Always drive safely and use caution.
- 5. Smart Power Liftgate with Auto Open:** Driving with the trunk open may be unlawful and can draw dangerous exhaust fumes into your vehicle; if you choose to do so, keep air vents and all windows open for proper ventilation.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. On certain audio systems, for access to Enhanced Roadside Assistance*, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
- 8. The myQi logo** is a registered trademark of The Chamberlain Group, Inc.
