

Features & Functions Quick Reference Guide

Seltos

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

To access the FULL version, click [HERE](#) or scan the QR code below.

This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.

While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.

Customer/Roadside Assistance*⁶: 1-800-333-4KIA
(800-333-4542)

As you get to know your new Kia, you can explore this booklet to better understand how to operate its many features and systems. Be sure to review the following to better understand some of your Kia's most used features:

1	Bluetooth® Wireless Technology	4
2	Voice Recognition	5
3	Kia Connect ^{†1} Activation	6
4	Kia Access App Download	7
5	Kia Access App Features Guide	7
6	User Settings* - Instrument Cluster.	8
7	Vehicle Settings* - Infotainment System	8
8	Wireless Smartphone Charging System	9
9	Smart Key with Remote Start	10
10	Smart Power Liftgate*	11
11	Legal Disclaimers	Back Cover

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Getting Started With Your New Kia Video

Your New Kia Important Care Tips Video

Navigation System* Important Tips Video

Vehicle Cameras Important Tips Video

Display Audio System Video

Kia Connect with Navigation Video

youtube.com/KiaFeatureVideos

Bluetooth® Wireless Technology^{† 3,7}

- A Voice Recognition button:** Press to activate voice recognition*/bring up menus/place calls with minimal voice command prompts from the system. Press and hold to exit voice recognition

Kia Connect^{†1} with Navigation* - When enrolled with a Kia Connect^{†1} subscription, press this button to activate the Kia Connect^{†1} Voice Assist to use navigation guidance and search destinations

- B Volume button:** Press up/down to raise/lower speaker volume

Mute button: Press to mute the microphone during a call and to mute the audio system speakers, or to pause *Bluetooth®* streaming media

- C Receive/Place Call button:** Press to place/receive incoming calls. Press to pair a phone (If no phone is paired)

Call/End Call button: Press to receive/place/end calls. If no phone is paired, press the button to pair a phone

QUICK TIPS

- The system can register or pair multiple *Bluetooth®* devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations
- When using the voice command feature, wait for the system to BEEP before speaking the command
- Phone book transfer upload time varies by phone model and with number of phone book entries

Pairing a Phone - For instructions on how to pair a phone, refer to the Car Infotainment System's Quick Reference Guide or your vehicle's Quick Start Guide.

QUICK TIP

During the pairing process, be sure to accept the connection requests on the phone for phone book download and to allow acceptance of all future *Bluetooth®* connection requests.

How to Place a Call Using Steering Wheel Controls - When using the voice command feature, wait for the system beep before speaking the command:

- Option 1: Press the Receive/Place Call button **C** (system displays the call history with the most recent calls)
- Option 2*: Press the Voice Recognition button **A** (system will BEEP to indicate it is ready for call placement). Then say the command "Call {name}" or "Dial {number}"

QUICK TIPS

- *Bluetooth®* Music Streaming: If the *Bluetooth®* music is inaudible or too low, turn up the volume on the connected phone
- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the beep before speaking any commands
- Close windows and sunroof and turn off A/C. The noise from an A/C fan operating at higher speeds or wind noise from open windows or sunroof can interfere with Voice Recognition
- Press the Voice Recognition button and say "Help" to get a list of available commands

REMINDERS:

- *Bluetooth®* Wireless Technology audio and calling functions are supported when connected to a *Bluetooth®* enabled device
- Because of differences in phone quality, service providers and *Bluetooth®* Wireless Technology chip programming, functionality may differ from one phone to another

(Buttons on left side of steering wheel)

For more information, refer to the Car Infotainment System Quick Reference Guide or the Owner's Manual.

Voice Recognition*†3,7

Voice Recognition and Phone Contact Tips:

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the Bluetooth® Wireless Technology Voice Recognition system, see other tips and reminders under Quick Tips:

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

For more information, refer to the Car Infotainment System Quick Reference Guide. For Bluetooth® wireless technology FAQs, go to www.kia.com, Owners section.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. To help minimize driver distraction, some audio system functionalities have been modified while the vehicle is in Drive, Reverse or moved out of Park.

Auto Defogging System

Auto Defogging is designed to reduce the fogging up of the inside of the windshield by automatically sensing the moisture of the inside of the windshield. The system will automatically change to defrost mode when needed.

Auto Defogging is set ON by default and will operate when the Climate Control system is ON. To cancel Auto Defogging, press the Front Defrost button  FRONT  for three seconds, when the ignition is in the ON position (ADS OFF icon will illuminate). To turn Auto Defogging on again, press the Front Defrost button  FRONT  for three seconds.

QUICK TIPS

- Defrost  FRONT mode activates A/C and opens Fresh Air vent to help dehumidify the air and improve Defroster performance
- During Auto Operation, the A/C indicator may NOT illuminate. The fan speed, air intake, air flow and air conditioning may automatically be engaged at any time to reach desired temperature and reduce humidity
- Keep inside glass as clean as possible to reduce window fogging

REMINDERS:

- Continuous use of the climate control system in the recirculated air position may allow humidity to increase inside the vehicle which may fog the glass and obscure visibility
- When in AUTO mode, Air Flow mode and Fan Speed do not display on the Climate Control Display
- Cold or warm ambient air may flow in through vents if Recirculated Air button is not pressed ON (LED lit)
- Pressing any button during AUTO operation will deactivate the AUTO function and switch to manual mode, except for Temperature Control or SYNC Temperature Control

Your Automatic Climate Control system may differ from those in the illustrations. See section 4 in the Owner's Manual for more information.

Kia Connect Activation*†1

Follow these steps to activate your Kia Connect system:

1. Enter the activation screen on your vehicle's Infotainment System:
 - a. Press the SETUP key **A**
 - b. Press the Kia Connect icon
 - c. Press Activate Service
2. Read and agree to Terms of Service and Privacy Policy and press SUBMIT
3. Enter number or email address to receive a verification code, then press SUBMIT
4. Follow these steps to access your verification code:
 - a. Open the text message or email for instructions
 - b. Follow the link in your text or email and a page will open requesting that you create your account
 - c. Enter your first name, last name, email, phone number, an account password, and click CREATE ACCOUNT. After completing the registration process, a page will open displaying your verification code
 - d. Enter the code in the Infotainment System and press ACTIVATE
 - e. Go back to the page with your verification code and press "I have entered my PIN." A link will be provided to download the Kia Access with Kia Access app from your app store. After installing the app, log in and enjoy

REMINDER: This vehicle is not equipped with over-the-air system updates.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.

youtube.com/KiaFeatureVideos

Kia Access App Download

Go to an app marketplace to download the new Kia Access App. Once downloaded, make sure you register your vehicle and create an account (refer to Kia Connect^{†1} Activation page). Get to know your new Kia and the available convenient features on the app.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with good wireless signal strength in order to use Kia Connect^{†1}. If these conditions are not met, voice commands may fail or take a long time to execute
- To use Remote Start or Remote Start with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- Activate Remote Start or Remote Start with Climate Control feature before getting into the vehicle, which will allow vehicle interior to reach a desired temperature. If the driver does not enter the vehicle within the 10 minutes, the Remote Start will turn off the engine
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- The Kia Connect^{†1} app will stay connected to the vehicle, as long as the vehicle has been started within seven days. To reconnect the Kia Connect^{†1} app, restart the vehicle

Kia Access App Features Guide

The Kia Access App Features Guide is a guide helping you utilize the app to its full potential by detailing each feature and how to adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate
- Schedule Climate
- Schedule Service
- Dealer Settings
- Manage Vehicles and Profiles

For further Kia Connect^{†1} operations, refer to the Car Infotainment System Quick Reference Guide.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

User Settings* - Instrument Cluster^{†7}

To enter the User Settings in the Instrument Cluster LCD, ensure that the vehicle is at a stand still, shift lever is in Park, and have the Engine Start/Stop button or Key in the ON position. Then press the Mode button **A** and select User Settings  by pressing the OK button **B** up/down. Select the item by pressing the OK button **B**.

User Settings Modes:

Driving Assistance*

- Speed Limit
- Warning Volume
- Driver Attention Warning
- Driving Safety
- Parking Safety

Cluster

- Cluster Theme
- Wiper/Lights Display
- Icy Road Warning
- Welcome Sound

Lights

- Illumination
- One-Touch Turn Signal
- Headlight Delay
- High Beam Assist

Door

- Auto Lock/Unlock
- 2 Press Unlock
- Horn Feedback
- Power Liftgate
- Power Liftgate Opening Height/Speed
- Smart Liftgate
- Remote Window Control

Convenience

- Rear Occupant Alert
- Service Interval
- Oil Change Reminder
- Auto Rear Wiper (in R)
- Vehicle Auto-Shut Off

Units

- Speed Unit
- Temperature Unit
- Fuel Economy Unit
- Tire Pressure Unit

Other Features

- Fuel Economy Auto Reset
- Speedometer Unit
- Fuel Economy Unit
- Temperature Unit
- Torque Unit
- Tire Pressure Unit

Reset

- All menus in the User Settings mode are reset back to factory settings, except language and service interval

Language*

- Choose the language

REMINDER: Some settings appear in Vehicle Settings* in the infotainment system. Check your Car Infotainment System Quick Start Guide for more information or section 4 in the Owner's Manual.

Vehicle Settings* - Infotainment System (Vehicles with navigation systems)

To enter the Vehicle Settings mode on the Infotainment System, press the **SETUP** key on the Instrument Cluster or the **SETUP** icon on the Infotainment System screen. Then press the **VEHICLE** icon, which will take you to the Vehicle Settings screen. Use the touchscreen to navigate through the menus.

Driver Assistance: Driving Convenience, Driving Safety, Speed Limit, Warning Method*, Driver Attention Warning, Parking Safety

Head-Up Display: Display Control, Content Selection

Cluster: Cluster Theme Selection, Reset Fuel Economy, Content Selection, Welcome Sound

Climate: Recirculate Air, Automatic Ventilation, Defog/Defrost Options

Light: One-Touch Turn Signal, Headlight Escort, High Beam Assist

Door: Auto Lock, Auto Unlock, Power Liftgate*, Power Liftgate Opening Speed*, Power Liftgate Opening Height*, Smart Liftgate*, Remote Window Control*

Digital Key: Smartphone Key, NFC Card Key, Digital Key Information

Convenience: Rear Occupant Alert, Service Interval, Oil Change Reminder, Wireless Charging System for Mobile Devices, Auto Rear Wiper (in R), Vehicle Auto-Shut Off

REMINDER: Some settings appear in User Settings in the Instrument Cluster. Check section 4 in the Owner's Manual or the Car Infotainment System Quick Start Guide for more information.

Driving while distracted is dangerous and should be avoided. Do not attempt to change vehicle system settings while driving.

Wireless Smartphone Charging System*†8

Charge a compatible Qi™ Certified smartphone wirelessly by placing it on the charging pad **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Charging in the User Settings* in the Instrument Cluster or the Vehicle Settings* in the Infotainment System. Select Setup, Convenience and check box to enable Wireless Charging System for Mobile Devices
2. Place a compatible smartphone on the center of the charging pad
3. Indicator light **B** may change to amber once wireless charging begins
4. Once charging is complete, the amber light may change to green

(Located in front of Gear Shift)

Requires Qi™ -enabled device or Qi™ -enabled case

QR CODES

Complete Online Guide

Wireless Smartphone Charging Video

Refer to page 2 for more information on QR codes.
youtube.com/KiaFeatureVideos

QUICK TIPS

- For wireless charging to occur, all doors must be closed, the Smart Key Fob must be detected inside the vehicle, and the ignition or Engine Start/Stop button is in the ON position
- For best results, place smartphone on the center of the charging pad
- If wireless charging does not work, move smartphone around the pad until the charging indicator turns amber
- Avoid placing other metal items in the bin while charging as to not impede the charging area

REMINDERS:

- The smartphone must be a compatible Qi™ certified phone with Qi™ function available. Some smartphone models are not Qi™ certified, which may affect the availability, speed or performance of the wireless charging
- Avoid placing other metal items in the bin while charging as to not impede the charging area
- This vehicle is equipped with wireless charging technology which allows for a device to be charged using inductive charging; however, device compatibility varies. See your Owner's Manual for more detailed information and the back page for legal disclaimers
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- **Charging Performance** - Your device's position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate include foreign objects, such as coins or pens, and phone case thickness
- If any door is opened, charging will be disabled

Refer to section 4 in the Owner's Manual for more information.

Images are for illustrative purposes only and may not reflect actual feature or operation.

Smart Key with Remote Start**†4

- A** Press to lock All Doors (all doors must be closed to lock)
- B** Press to unlock Driver's Door. Press twice in 4 seconds to unlock All Doors and Liftgate
- C Remote Start:** Lock the doors by pressing the door lock button **A** within 32 feet distance from the vehicle. Within 4 seconds of pressing the door lock button **A**, press and hold the Remote Start button **C** for more than 2 seconds to start the vehicle. To stop the Remote Start operation, press the button **C** again. If the driver does not enter vehicle within ten minutes of starting the vehicle, the engine will automatically turn off.
- D** Press and hold for more than a half-second for Panic Alarm. To turn off Alarm, press any button
- E** Press to release Mechanical Key

Driver's Door Lock/Unlock button **F**:

- Press button once to unlock Driver's Door
- Press again within 4 seconds to unlock all Doors
- Press again to lock all Doors

Mechanical Key **G**:

Use to unlock/lock driver's door

1. Pull out door handle. Remove door handle keyhole cover with Mechanical Key by pressing up into slot as shown **H**
2. Insert Mechanical Key **I** and turn right to unlock Driver's Door.
3. Insert Mechanical Key and turn left to lock Driver's Door
4. Return keyhole cover to its original position

Use to turn Child-Protector Rear Door Lock.

Smart Key with Remote Start Video

Refer to page 2 for more information on QR codes.
youtube.com/KiaFeatureVideos

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button (Lock button side closest) and press to start engine
- The Smart Key's signal can be blocked by the normal operation of a cell or smartphone. To help prevent this, store each device separately
- When reinserting the mechanical key into the fob, make sure it is pushed all the way in until there is a click sound

Remote button configuration may vary depending on vehicle options. For more information on the Mechanical Key, please refer to section 4 in the Owner's Manual.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

Smart Power Liftgate*†5

- **Smart Key:** To automatically open or close the Power Liftgate with the Smart Key fob, press and hold the Power Liftgate Open/Close button **A** for more than 1 second.
- **Inside the vehicle:** To automatically open or close the Power Liftgate from inside the vehicle, press and hold the Power Liftgate Open/Close button **B**. If you release the button while in operation, the power liftgate operation will stop and a warning will sound for 5 seconds
- **Outside the vehicle:** To automatically open the Power Liftgate from the exterior of the vehicle, press the Power Liftgate Release Button **C**
- **Outside the vehicle:** To automatically close the Power Liftgate from the rear of the vehicle, press the Power Liftgate Close Button **D** on the inside of the Liftgate lid. If you release the Power Liftgate button, the operation will stop

REMINDER: In some instances, the Power Liftgate may need be reset. Refer to section 4 in the Owner's Manual.

Images are for illustrative purposes only and may not reflect actual feature or operation.

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2024 and newer Kia vehicles with Kia Connect includes a complimentary 3-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Kia Access app:** Kia Access app for smartphone and smartwatch requires enrollment of vehicle in Kia Connect. Remote features require a KiaConnect subscription, a compatible smart device, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote feature support varies by model, model year and trim; remote climate control not supported on 2019 Optima LX and 2020 Telluride LX and S and other vehicles not equipped with fully automatic temperature control.
- 3. Android Auto™, Apple CarPlay®, Bluetooth® Wireless Technology, Google Play™ Store, iPhone®, SiriusXM®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 4. Engine Start/Stop Button with Smart Key:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral. With the engine off, power assist for steering and braking will be disabled, and the vehicle will be more difficult to control.
- 5. Power Liftgate / Smart Power Liftgate:** Driving with the trunk open may be unlawful and can draw dangerous exhaust fumes into your vehicle; if you choose to do so, keep air vents and all windows open for proper ventilation.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
- 8. The myQi logo** is a registered trademark of The Chamberlain Group, Inc.
