# Standard Audio Phone Pairing & Siri

Sedona and Soul

To use *Bluetooth*® Wireless Technology a phone must be paired:

**NOTE:** Vehicle **MUST** be in “P” or Park

- 1 Ensure *Bluetooth*® wireless technology is turned “on” on your phone
- 2 On your Audio System, press the **PHONE** key next to the display
- 3 Select the name of your vehicle (**KIA MOTORS**) displayed on your phone
- 4 Follow the instructions on your device to confirm the passkey displayed. Press **Ok** or **Pair** to complete pairing. The contact download process may take a few minutes

## Using Siri Voice Recognition

- To use Voice Recognition, an Apple iPhone must be paired and connected through Bluetooth Wireless Technology
- Press the Voice Button **A** on the steering wheel to activate Siri
- Press and hold the Voice button to cancel
