Reference your Owner's Manual for more information on these features.

*Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive responsibly.

Tilt/Telescoping Steering Wheel: Never attempt to adjust steering wheel position when vehicle is in motion.

Front Seat Headrest Adjustment: Never attempt to adjust headrests when vehicle is in motion.

Bluetooth® Wireless Technology: A compatible Bluetooth® wireless technology-enabled cell phone is required to use Bluetooth® wireless technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. Other trademarks and trade names are those of their respective owners. A Bluetooth® enabled cell phone is required to use Bluetooth® wireless technology.

SiriusXM™: SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. A Quick Start Guide to Some of Your Kia Vehicle's Features

For Kia vehicles equipped with Standard Audio Systems

Audio System Voice Commands*

The voice commands for this system are divided into **Global** and **Local** commands.

- **Global** commands (●) operate in **all modes**
- **Local** commands (◦) operate only in **corresponding modes**

PHONE COMMANDS

- **Call <Name>** Call <Name> After system beep, speak name as it appears in your contact list (e.g., Call "Robert Smith")
- **Dial**
- **Redial**
- **Call History**

RADIO COMMANDS

- **Radio**
- **FM 1 / FM 2**
- **AM <530-1710>** [e.g., say "AM Five-Hundred Thirty"]
- **FM <87.5-107.9>** [e.g., say "FM Eighty-Seven point Five"]
- **AM Preset <1-6>**
- **FM1 Preset <1-6>**
- **FM2 Preset <1-6>**
- **Scan**
- **Preset Scan**
- **Preset <1-6>**

My Music COMMANDS

- **My Music**
- **Random**
- **Repeat**
- **Scan**
- **Random Off**
- **Repeat Off**

SIRIUS COMMANDS

- **SIRIUS**
- **SIRIUS Channel 0-223**
- **Preset <1 to 6>**
- **Information**
- **Scan**

AUDIO CD COMMANDS

- **CD**
- **Random**
- **Repeat**
- **Random Off**
- **Repeat Off**
- **Track 1-30**

USB COMMANDS

- **USB**
- **Random**
- **Repeat**
- **Random Off**
- **Repeat Off**

iPOD COMMANDS

- **iPOD**
- **Random**
- **Repeat**
- **Random Off**
- **Repeat Off**

Help COMMAND

- **Help**

QUICK TIPS

- **HELP** Command provides instruction on the voice command necessary for the current situation.

*If equipped

See next page for Voice Recognition tips

Pair Your Phone via *Bluetooth*® Wireless Technology*

- NOTE:** Vehicle **MUST** be in “P” or Park
- 1 Ensure *Bluetooth*® wireless technology is turned “on” on your phone
 - 2 On your vehicle's Audio System, press the **SETUP** button
 - 3 For **Red Illumination Displays**, on your Audio System display screen, select **PHONE** by turning the **FILE / TUNE** knob. Press knob to confirm selection. Select **PAIR** or **PAIR PHONE** (Some systems will prompt you to “**Add *Bluetooth*® Device**”. Select **OK**
 - For **Full Color Displays**, press **SETUP** hardkey, then press **PHONE** on screen, and then press **PAIR PHONE**
 - 4 In the *Bluetooth*® menu of your phone, select **Search for *Bluetooth*® Devices**. Select the name of your vehicle (KIA MOTORS) displayed on your phone
 - 5 Follow the instructions on your device to confirm the passkey displayed. Press **Ok** or **Pair** to complete pairing. The contact download process may take a few minutes

NOTE: Be sure to allow phonebook download and future autoconnection on your phone

NOTE: Ensure that only the “phone contact list” is selected for contact download (not Twitter, Facebook, or e-mail contact lists)

For any questions regarding the features of your vehicle, please contact Kia Consumer Affairs at (800) 333-4542

⌚ QUICK TIPS

Voice Recognition and Phone Contact Tips

The Kia Voice Recognition System may have difficulty understanding some accents or uncommon names. When using Voice Recognition to place a call, speak in a moderate tone, with clear pronunciation. Voice Recognition performance can be improved by ensuring all windows and sunroof are closed, and that Climate Control System fan speed has been lowered to reduce noise in the cabin.

To maximize the use of Voice Recognition, consider these guidelines when storing contacts:

- Use full names vs. short or single syllable names (“John Smith” vs. “Dad”, “Smith Residence” vs. “Home”)
- Avoid using special characters or hyphens (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms (“In Case Emergency” vs. “ICE”)
- Spell words completely, no abbreviations (“Doctor Goodman” vs. “Dr. Goodman”)

NOTE: Always wait for the beep before speaking any commands.

Snap this tag with a QR code reader app on your smart phone to view a video.

⌚ QUICK TIPS

- Your vehicle will be equipped with one of two display types:
- 1) **Full Color Display** - Vehicles equipped with back-up camera
 - 2) **Red Illumination Display** - Not equipped with back-up camera

Using Steering Wheel Control Buttons^{†*}

These buttons on your steering wheel provide you with “hands free” control over your mobile phone equipped with *Bluetooth*® wireless technology and Audio System.

NOTE: Remember to **always** wait for the beep before speaking any commands

TALK Button
(push to place a call with minimal vocal command prompts from the system)

RECEIVE CALL Button
(push to display call history, or to answer an incoming call)

END CALL Button

There are two ways to use the steering wheel control buttons to place a call.

- 1 Press the **RECEIVE CALL** button
- 2 Press the **TALK** button (Wait for system to **beep**. Some systems may offer prompts to assist in placing call)

Media Mode*

Media mode includes a variety of modes, such as CD, USB, iPod®, *Bluetooth*® Audio, Aux, and My Music

NOTE: Only MP3 and WMA files may be played or copied to **My Music**

- 1 Insert your media. Press the **MEDIA** key repeatedly to scroll through a list of connected devices.

Copying Songs to My Music

Media Mode allows you to copy songs from USB Devices, and store them in **My Music**

- 1 For **Red Illumination Displays**, while the song is playing, press **MENU** key then scroll to **Copy** then press knob to confirm
- For **Full Color Displays**, press **Copy** on screen
- 2 Once copying is complete, you can listen to the copied music file in **My Music** by pressing the **MEDIA** key repeatedly until **My Music** appears on the display

Listening to your iPod®

- 1 Connect an iPod® device or, if an iPod® device is already connected, repeatedly press the **MEDIA** key until iPod® appears on the display
- NOTE:** Use the iPod® cable that was supplied with your device

Manually Selecting iPod® Music

- 1 Turn the **FILE / TUNE** knob on the Audio System to scan through music categories
- 2 When you find the desired selection, press the **FILE / TUNE** knob to play

Listening to Music from your *Bluetooth*® Wireless Technology Device

- 1 If not already done, pair your *Bluetooth*® wireless technology device to the Audio System
 - 2 Press the **MEDIA** key, until *Bluetooth*® Audio is displayed on the screen
 - 3 Press the **Seek/Track** key to scroll through music songs
 - 4 For **Red Illumination Displays**, to pause a track or song streaming from your *Bluetooth*® wireless technology device, press the **FILE / TUNE** knob. Press again to resume play
- For **Full Color Displays**, press **PLAY/PAUSE** button on screen

Steering Wheel Adjustment*

When adjusting the steering wheel in and out, the effort is reduced if the wheel is lifted upward when pulling out/pushing in.

Climate Control Systems

Climate Control System functions differ between systems and vehicles. Presented below are descriptions of the most common control functions:

Fan speed control switch/knob*

Temperature control switch/knob*

Front windshield defroster button*

Automatic climate control button*

Recirculated air button

Climate information screen*

Air conditioning ON/OFF button

Rear windshield defroster button*

Mode selection button(s)*

Dual temperature control mode*

System OFF*

NOTE: Climate Control System options and the appearance and location of icons on the system in your vehicle may differ, as equipped

⌚ QUICK TIPS

- Keep interior glass surfaces as clean as possible to reduce window fogging
- Defrost Mode activates A/C and opens Fresh Air Vent
- When Automatic Climate Control is set to Auto Operation, the A/C indicator will NOT illuminate. The fan speed, air intake, air flow and air conditioning may automatically be engaged at any time to reach desired temperature and reduce humidity.

⌚ QUICK TIPS

Automatic and Manual Defrosting / Defogging

Max Defrost:

- 1 Select **Defrost** Mode
- 2 Select **Max Fan Speed**
- 3 Set **Temperature** to Hot

Defogging:

- 1 Select **Defrost** Mode
- 2 Select **Max Fan Speed**
- 3 Select desired **Temperature**[†]

[†]If moisture appears on windshield, adjust **Temperature Control Knob** to a warmer temperature
