

Features & Functions Quick Reference Guide

Carnival Hybrid

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

The video resources should not be accessed while you are operating your Kia vehicle.

SCAN for the FULL Guide to see more Features and Videos

This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.

While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.

Over The Air (OTA) Update Video

youtube.com/KiaFeatureVideos

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Bluetooth® Wireless Technology† 3,8

A Voice Recognition button: When a phone is paired, press briefly to activate voice recognition/bring up menus/place calls with voice command prompts from the system

Kia Connect^{†1} with Navigation: When enrolled with a Kia Connect^{†1} subscription, press this button to activate the Kia Connect^{†1} Assist to use navigation guidance and search destinations

B Volume button: Press up/down to raise/lower the speaker volume

Mute button: Press to mute the microphone during a call and to mute the audio system speakers, or to pause *Bluetooth®* streaming media

C Receive/Place Call button: Press to receive/place/end calls. If no phone is paired, press the button to pair a phone

D Custom button: Press to access programmed feature. Press and hold the button to program it to one of several features

youtube.com/KiaFeatureVideos

QUICK TIPS

- When using the voice command feature, wait for the system to BEEP before speaking the command
- Phone book transfer upload time varies by phone model and with the number of phone book entries
- Because of differences in phone quality, service providers and *Bluetooth®* Wireless Technology chip programming, functionality may differ from one phone to another
- The system can register or pair multiple *Bluetooth®* devices

QUICK TIP

During the pairing process, be sure to accept the connection requests on the phone for phone book download and to allow acceptance of all future *Bluetooth®* connection requests.

(Buttons on left side of steering wheel)

Pairing a Phone: For instructions on how to pair a phone, refer to the Car Infotainment System Quick Reference Guide or your vehicle's Quick Start Guide.

How to Place a Call Using Steering Wheel Controls:

- Option 1: Press the Voice Recognition button **A**. Then say the command "Call {name}" or "Dial {number}" followed by contact name or number
- Option 2: Press the Call/End Call button **C** (displays the phone screen with call history). When not connected via *Bluetooth®*, displays the *Bluetooth®* Connection window

For more information, refer to the Car Infotainment System Quick Reference Guide.

Your vehicle's steering wheel buttons may differ from those in the illustrations. See your Owner's Manual for more details.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

For more information, if equipped, refer to the Car Infotainment System Quick Reference Guide. For *Bluetooth®* Wireless Technology FAQs, go to www.kia.com, Owners section, or call Consumer Information for *Bluetooth®* Technology at (800) 333-4KIA.

Voice Recognition*†3,8

The system may have difficulty understanding some commands. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the *Bluetooth®* Wireless Technology Voice Recognition system, see other tips and reminders on page 4:

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

QUICK TIPS

- *Bluetooth®* Music Streaming - If the *Bluetooth®* music is inaudible or too low, you may need to turn up the volume on the connected phone
- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the beep before speaking any commands
- Open windows, sunroof, weather (wind/rain), or an A/C fan operating at higher speeds can interfere with Voice Recognition. Close all windows, sunroof and turn off the A/C to minimize interference
- Press the Voice Recognition button and say "Help" to get a list of available commands

For *Bluetooth®* Wireless Technology FAQs, go to www.kia.com, or call Consumer Information for *Bluetooth®* Technology at (800) 333-4KIA.

For more information, refer to the Car Infotainment System Quick Reference Guide. For *Bluetooth®* wireless technology FAQs, go to www.kia.com, Owners section.

Your vehicle's steering wheel buttons may differ from those in the illustrations. See your Owner's Manual for more details.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

Infotainment/Climate Switchable Controller

The **Infotainment System / Climate Control mode switching button** allows you to toggle between Infotainment System and Climate Control Modes. In Infotainment System mode, the **A** icon is highlighted. In Climate Control mode, the **B** icon is highlighted.

Press and hold the Switchable Control button **A** **B** (anywhere on the button is pressable) to set the default button display mode.

Kia Connect Activation**1

Follow these steps to activate your Kia Connect system:

1. To enter the activation screen on the Infotainment System:
 - a. From the touch panel, press SETUP, then DATA/NETWORK
 - b. Press the KIA CONNECT button
 - c. Press ACTIVATE
2. Read and agree to the Terms of Service and Privacy Policy, and press SUBMIT
3. Enter your phone number or email address to receive a verification code. Press OK, then SUBMIT
4. Click on the link and a page will open requesting you to create an account
5. Provide the information needed and select SAVE to create the account
6. A page will open displaying your verification code. Enter this code on the infotainment system screen. Press OK and SUBMIT, then press OK again
7. On your phone, select I HAVE ENTERED MY VERIFICATION CODE and a link will be provided to download the Kia Access App. After installing the app, log in and enjoy

QUICK TIP

If you have already have a Kia Owners Portal account (owners.kia.com), you can use the same phone number or email that's registered to that account. You will just need to enter the password prior to receiving the verification code.

REMINDER: This vehicle is equipped with over-the-air system updates. To download map updates for the navigation system, go to update.kia.com. Check for updates that are generally available twice a year.

For further Kia Connect information, refer to the Car Infotainment System Quick Reference Guide.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.

Kia Access^{†2} App Download

Go to an app marketplace to download the new Kia Access App. Once you download, make sure you register your vehicle and set up an account (refer to Kia Connect^{†1} Activation, page 6). Get to know your new Kia and the available convenient features on the app.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with a good wireless signal strength to use Kia Connect^{†1}. If these conditions are not met, voice commands may fail or take a long time to execute
- To use Remote Start or Remote Start with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- Activate Remote Start or Remote Start with Climate Control feature before getting into the vehicle, which will allow vehicle interior to reach a desired temperature. If the driver does not enter the vehicle within 10 minutes, the Remote Start will turn off the engine
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- The Kia Connect^{†1} app will stay connected to the vehicle, as long as the vehicle has been started within seven days. To reconnect the Kia Connect^{†1} app, restart the vehicle

Download the Kia Access App by clicking this dynamic QR code. Some phone's operating systems may need to be updated to scan dynamic QR codes.

Kia Access App Features Guide

The Kia Access App Features Guide is a guide that can help you utilize the App to its full potential by detailing each feature and how to adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate
- Schedule Service
- Dealer Settings
- Manage Vehicles and Profiles

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

For further Kia Connect^{†1} operations, refer to the Car Infotainment System Quick Reference Guide.

Vehicle Settings - Infotainment System

To enter the Vehicle Settings mode in the Infotainment System, press the **SETUP** key on the Infotainment System or the onscreen **SETUP** button. Then press **VEHICLE** , which will take you to Vehicle Settings. Use the touchscreen to navigate through the menus.

Vehicle Settings (Type 1):

Driver Assistance: Warning Method, Driving Convenience, Speed Limit, Driver Attention Warning, Driving Safety, Parking Safety

Climate: Recirculate Air, Automatic Ventilation, Defog/Defrost Options, Climate Features

Seats: Seating Easy Access, Seat Position Change Alert

Lights: Ambient Lighting, One Touch Turn Signal, Welcome Mirror/Light, Headlight Delay, High Beam Assist, Interior Light Always On

Door: Automatically Lock, Automatically Unlock (2 Press Unlock, Power Liftgate), Power Liftgate Opening Speed, Power Liftgate Opening Height (Smart Liftgate, Remote Window Control, Smart Sliding Door), Remote Power Doors & Liftgate (Liftgate Auto Close)

Digital Keys: Smartphone Key, NFC Card Key, Digital Key Information

Convenience: Rear Occupant Alert, Service Interval, Oil Change Reminder, Wireless Charging System for Mobile Devices, Mobile Phone Wireless Charging Indicator, Auto Rear Wipes (in R)

Features may vary by model and trim level, and/or may be different than your actual vehicle. See section 4 in the Owner's Manual or the Car Infotainment System Quick Reference Guide.

Driving while distracted is dangerous and should be avoided. Do not attempt to change vehicle system settings while driving.

Wireless Smartphone Charging System*†9

Charge a compatible Qi™ Certified smartphone wirelessly by placing it on the charging pad **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Smartphone Charging System in the Vehicle Settings in the infotainment system, by pressing SETUP, VEHICLE, CONVENIENCE, then WIRELESS CHARGING SYSTEM FOR MOBILE DEVICES
2. Place a compatible smartphone on the center of the charging pad **A**
3. The indicator light **B** may change, depending on the LED indicator light type selected: Mobile Phone Wireless Charging Indicator (Type1/Type2)
4. Once charging is complete, the indicator light may change to green

Indicator panel located above center console.

Charge pad located in center console.

information on QR codes.
youtube.com/KiaFeatureVideos

Refer to section 4 in the
Owner's Manual for more
information.

For illustrative purposes
only. Your actual display,
buttons and/or features
may vary.

QUICK TIPS

- The smartphone must be a Qi™ certified compatible smart phone with Qi™ function available. Some smartphone models are not Qi™ certified, which may affect the availability, speed or performance of the wireless charging
- If wireless charging does not work, move the smartphone around the pad until the charging indicator turns amber. Avoid placing other metal items in the bin while charging as to not impede the charging area
- For wireless charging to occur, all doors (excluding rear hatch) must be closed & the Smart Key Fob must be detected inside the vehicle

REMINDERS:

- Avoid placing other metal items in the bin while charging as to not impede the charging area
- This vehicle is equipped with wireless charging technology which allows for a device to be charged using inductive charging; however, device compatibility varies
- Inductive charging systems are less efficient than conventional charging through cable. As a result, higher device operating temperatures may be experienced during use
- **Charging Performance:** Your device's position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate include foreign objects, such as coins or pens, and phone case thickness
- If driver door is opened, charging will be disabled
- The indicator light of some manufacturer's smart phones may still be orange after the smart phone is fully charged. This is due to the particular characteristic of the smartphone and not a malfunction of the wireless charging
- Do not place smart key on the wireless charging pad. It may cause smart key battery discharge

Smart Key with Remote Start^{†4}

- A** Press to lock All Doors. Press twice within 2 seconds to sound the horn.
Sliding Doors / Liftgate*: Press and hold for more than 3 seconds to simultaneously close the sliding doors and the liftgate
- B** Press to unlock Driver's Door. Press twice in 4 seconds to unlock All Doors.
Sliding Doors / Liftgate*: Press and hold for more than 3 seconds to simultaneously open the sliding doors and liftgate (enable in Vehicle Settings)
- C** **Manual Liftgate*:** Press and hold for more than 1 second to unlock the Liftgate. Then, lift by the handle to manually open the Liftgate

REMINDERS:

- The Liftgate does not automatically open when the button **C** is pressed
- The Liftgate unlocks when the Smart Key fob is within close proximity of the vehicle
- C** **Power Liftgate*:** Press and hold for the Power Liftgate to open automatically. Press again at any time to stop. Press and hold again to automatically close
- D** Press and hold more than 0.5 seconds (half a second) for Panic Alarm. To turn off Alarm, press any button
- E** **Remote Start*:** First, lock the doors by pressing the door lock button **A** within 32 feet from the vehicle. Within 4 seconds of pressing the door lock button **A**, press and hold the Remote Start button **F** for more than 2 seconds to start the vehicle. Press **F** again to turn off. If driver does not enter vehicle within 3 minutes of starting the vehicle, the engine will automatically turn off
- F** **Power Sliding Doors*:** Press and hold to open the Power Sliding Doors

SCAN FOR THE FULL GUIDE

Smart Key with Remote Start Video

Refer to page 2 for more information on QR codes.
youtube.com/KiaFeatureVideos

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button (Lock button side closest) and press to start engine. If needed, contact your local Kia dealership for repair
- The Smart Key's signal can be blocked by the normal operation of a cell phone or smartphone. To help prevent this, store each device separately

- G** **Mechanical Key:** Use to enable/disable Child Safety Locks*. Use to lock/unlock Driver's Door by turning once:

1. Pull out door handle. Press the lever located inside the bottom part of the cover with a key or flat-head screwdriver **H**
2. Pull off the cover while pressing the lever
3. Turn the key toward the rear of the vehicle to unlock the door and toward the front of the vehicle to lock the door
4. Return keyhole cover to its original position

REMINDER: When reinserting the mechanical key, ensure it is pushed all the way in until you hear a click.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote button configuration may vary depending on vehicle options.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

Smart Liftgate with Auto Open & Close*†5

The Smart Liftgate with Auto Open & Close can open or close the Liftgate automatically when the driver approaches or leaves the vehicle. For Smart Liftgate with Auto Open & Close to operate, the Smart Key must be enabled.

Automatically open: When the Smart Key is on your person and you are near the back of the vehicle, within close proximity, the hazard lights will blink and a chime will sound for about 3 seconds as an alert that the Smart Liftgate is about to open. Then the alert system will blink and chime two additional times before opening the Smart Liftgate.

Automatically close: When the Smart Key fob is on your person and you leave the vehicle, the chime will sound three times as an alert that the Smart Liftgate is about to close. Then the alert system will chime two additional times before closing the Smart Liftgate.

The Smart Liftgate with Auto Open & Close feature is off by default. To enable, go to the Vehicle Settings in the Infotainment System by pressing SETUP and VEHICLE. Then press DOOR and SMART LIFTGATE.

OFF button: To turn off the Power Liftgate Auto-Close button function, press button **A**.

QUICK TIPS

- During the Smart Liftgate with Auto Open & Close alert, the Smart Liftgate with Auto Open & Close can be deactivated with the Smart Key by pressing any button on the key fob or moving away from the detection area
- The open height and speed can be adjusted. For information on how to set the open height and speed, see your owner's manual

REMINDERS:

- All doors are closed and locked after about 15 seconds for the system to operate
- The Smart Power Liftgate feature will not operate when:
 - The doors are recently closed and locked, and the Smart Key is still detected after 15 seconds near the vehicle or within 60 inches of the door handles
 - A door is not locked or closed
 - The Smart Key is in the vehicle
- Press any button on the Smart Key fob during the Detect and Alert stage to deactivate the Smart Power Liftgate function
- Ensure obstacles and people are out of the way of the liftgate

(Button located on inside edge of liftgate)

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2025 and newer Kia vehicles with Kia Connect includes a complimentary 3-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Kia Access App:** Kia Access App for smartphone and smartwatch requires enrollment of vehicle in Kia Connect. Remote features require a Kia Connect subscription, a compatible smart device, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote feature support varies by model, model year and trim; remote climate control not supported on 2019 Optima LX and 2020 Telluride LX and S and other vehicles not equipped with fully automatic temperature control.
- 3. Bluetooth® Wireless Technology, Google Assistant®, Siri®, SiriusXM®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 4. Engine Start/Stop Button with Smart Key:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral (N). With the engine off, hydraulic power assist for steering and braking will be disabled and the vehicle will be more difficult to control.
- 5. Smart Power Liftgate:** Driving with the liftgate open may be unlawful and can draw dangerous exhaust fumes into your vehicle; if you choose to do so, keep air vents and all windows open for proper ventilation.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia Motors America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Seat adjustments:** Reclining the passenger seats can reduce the effectiveness of the safety restraint system and may lead to additional injury in an accident.
- 8. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
- 9. The myQi logo** is a registered trademark of The Chamberlain Group, Inc.
