

# Features & Functions Quick Reference Guide

**Telluride**

# WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

## USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

[www.youtube.com/KiaFeatureVideos](http://www.youtube.com/KiaFeatureVideos)

### QUICK TIPS

**If you're having trouble scanning codes, check the following:**

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

**To access the FULL version,  
scan the QR code below.**

*This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.*

*While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.*

As you get to know your new Kia, you can explore this booklet to better understand how to operate its many features and systems. Be sure to review the following to better understand some of your Kia's most used features:

1	Bluetooth® Wireless Technology . . . . .	4
2	Voice Recognition . . . . .	4
3	Touch-Sensor Type Door Handle . . . . .	5
4	Kia Connect <sup>†1</sup> Activation . . . . .	6

Customer/Roadside Assistance<sup>†6</sup>: 1-800-333-4KIA  
(800-333-4542)

*Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.*

ALWAYS CHECK THE OWNER'S MANUAL FOR COMPLETE  
OPERATING INFORMATION AND SAFETY WARNINGS.

<sup>†</sup>LEGAL DISCLAIMERS ON BACK INSIDE COVER  
<sup>†</sup>IF EQUIPPED

## Bluetooth® Wireless Technology† 3,7

- A Volume/Mute button:** Press up/down to raise/lower speaker volume, or press in to mute the microphone during a call, to mute the audio system speakers, or to pause *Bluetooth®* streaming media
- B Voice Recognition button:** Press to activate voice recognition/bring up menus with minimal voice command prompts from the system. Press and hold to start voice recognition of a connected smartphone via phone projection (button operation may vary depending on smartphone specifications; must have a Kia Connect<sup>††1</sup> subscription)
- C Call / End Call button:** Press to receive/place or end a call. Press to pair a phone (if no phone is paired)
- D Custom button ★:** Press to go to the pre-selected menu/feature. Press and hold to set your menu/feature to this button

**How to Place a Call Using Steering Wheel Controls:** When phone is paired, press the Call / End Call button **C** or Press and hold the Voice Recognition button **B** to activate your phone's native system. For pairing instructions, see the Car Infotainment System Quick Reference Guide.

### QUICK TIPS

- When using the voice command feature, wait for the system to BEEP before speaking the command
- Functionality may differ from one phone to another because of differences in phone compatibility and quality, service providers and *Bluetooth®* wireless technology chip programming
- The system can register or pair multiple *Bluetooth®* devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations

Steering Wheel Controls Video

Voice Recognition Tips Video

Refer to page 2 for more information on QR codes.  
[youtube.com/KiaFeatureVideos](https://youtube.com/KiaFeatureVideos)

## Voice Recognition\*†3,7

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below.

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, \*, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

### QUICK TIPS

- Close windows and sunroof, and turn off A/C; open windows, sunroof, weather (wind/rain), or an A/C fan operating at higher speeds can interfere with Voice Recognition
- *Bluetooth®* Music Streaming: If the *Bluetooth®* music is inaudible or too low, turn up the volume on the connected phone

For *Bluetooth®* Wireless Technology FAQs, go to [www.kia.com](http://www.kia.com), or call Consumer Information for *Bluetooth®* Technology at (800) 333-4KIA. Refer to your Car Infotainment System Quick Reference Guide for more specific *Bluetooth®* Wireless Technology phone pairing and operation instructions.

## Touch-Sensor Type Door Handles\*

The Touch-Sensor Type Door Handles have sensors on the inside of the exterior door handles that detect the touch of your fingers to unlock the driver's door, all doors and liftgate.

**To unlock:** With the Smart Key fob within proximity, touch the inside of the door handle **A**. All doors and liftgate will unlock. Then pull the handle to open door. The hazard lights will blink twice to indicate that all doors and liftgate are unlocked.

**To lock:** With the Smart Key fob within proximity, with all doors and liftgate closed, touch the sensor button **B** on the outside of the door handle. All doors and the tailgate will lock. The hazard lights will blink once to indicate that all doors and liftgate are locked.

**2-Press Unlock feature:** With 2-Press Unlock enabled, touch the inside of the exterior door handle **A** once to unlock the driver's door. If you touch the inside of the door handle again, all doors and liftgate will unlock. To enable 2-Press Unlock, go to the Vehicle Settings in the Infotainment System. Press the SETUP button or key, then VEHICLE. Select DOOR, then check 2-PRESS UNLOCK.

### REMINDERS:

- The sensor button will only operate when the Smart Key is within 28-40 inches from the outside door handle
- If the outside door sensor button is pressed, the doors will not lock and a chime will sound if any of the following occurs:
  - The smart key is in the vehicle
  - The Engine Start/Stop button is in the ACC or in the ON position
  - Any door, except the liftgate, is opened

Refer to section 4 in the Owner's Manual for more information.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

## Kia Connect Activation\*†1,7

Follow these steps to activate your Kia Connect on your infotainment system:

1. Enter the activation screen on your Infotainment System:
  - a. Press the SETUP button/key or the MODE button\* **A**
  - b. Press Kia Connect icon
  - c. Press Activate
2. Read and agree to Terms of Service and Privacy Policy and press SUBMIT
3. Enter number or email address to receive a verification code, then press SUBMIT
4. Click on the link and a page will open requesting you to create an account
5. Provide the information needed and select SAVE to create the account
6. A page will open displaying your verification code. Enter this code on the infotainment system screen. Press OK and SUBMIT, then press OK again
7. On your phone, select I HAVE ENTERED MY VERIFICATION CODE and a link will be provided to download the Kia Access App. After installing the app, log in and enjoy

### REMINDERS:

- This vehicle is equipped with over-the-air system updates
- To download map updates for the navigation system, you can also go to [update.kia.com](http://update.kia.com). Check for updates that are generally available twice a year

For further infotainment system operations, refer to the Car Infotainment System Quick Reference Guide.

*Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.*

*Kia Connect is currently unavailable for model year 2022 vehicles sold or purchased in Massachusetts. See Kia Connect Terms of Service at [owners.kia.com](http://owners.kia.com) for more information.*

## Kia Access App<sup>†2</sup> Download

Go to an app marketplace to download the new Kia Access App. Once downloaded, make sure to register your vehicle and create an account (refer to Kia Connect Activation page). Get to know your new Kia and the available convenient features on the app.

### QUICK TIPS

- To keep your map and software up to date, Kia provides over-the-air updates. You can also visit the official Kia update webpage at <https://update.kia.com/US/EN/Main>. Note, visiting a dealer for software update may include an additional charge
- The smartphone and vehicle need to be connected to a cellular network with good wireless signal strength in order to use Kia Connect<sup>†1</sup>. If these conditions are not met, remote command may not execute or will take a long time. It will also affect voice commands
- To use Remote Start or Remote Start with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- Activate Remote Start or Remote Start with Climate Control<sup>\*</sup> feature before getting into the vehicle, which will allow vehicle interior to reach a desired temperature. If the driver does not enter the vehicle within 10 minutes, the Remote Start will turn off the engine
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- The Kia Connect<sup>†1</sup> app will stay connected to the vehicle, as long as the vehicle has been started within seven days. To reconnect the Kia Connect<sup>†1</sup> app, restart the vehicle

*Kia Connect<sup>†1</sup> is currently unavailable for model year 2022 vehicles sold or purchased in Massachusetts. See Kia Connect Terms of Service at [owners.kia.com](https://owners.kia.com) for more information.*

*For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.*

### SCAN FOR THE FULL GUIDE

**Download the Kia Access App** by clicking this dynamic QR code. Some phone's operating systems may need to be updated to scan dynamic QR codes.

## Vehicle Settings - Infotainment System<sup>†7</sup>

To enter the Vehicle Settings mode in the Infotainment System, press the **MODE** button\* **A** on the Steering Wheel. You can also press the **SETUP** key or the onscreen **SETUP** button. Then press **VEHICLE**, which will take you to the Vehicle Settings screen. Use the touchscreen to navigate through the menus.

### Vehicle Settings menus:

- Driver assistance
- Drive mode
- Active sound design
- Head-up display
- Cluster
- Climate
- Seat
- Lights
- Door
- Convenience

(Button layout on left of steering wheel)

*For more information, refer to the Car Infotainment System Quick Reference Guide*

*For illustrative purposes only. Your actual display, buttons and/or features may vary.*

## Wireless Smartphone Charging System<sup>\*†7,8</sup>

Charge a compatible Qi™ Certified smartphone wirelessly by placing it on the charging pad **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Charging in the Vehicle Settings in the Infotainment System.  
Press the **MODE** button\* on the Steering Wheel **B**, or the SETUP button/key and VEHICLE. Then select CONVENIENCE, and WIRELESS CHARGING SYSTEM
2. Place a compatible smartphone on the center of the charging pad **A**
3. The indicator light **C** will change to amber once wireless charging begins
4. Once charging is complete, the amber light **C** will change to green

(Button layout on left of steering wheel)

*Requires Qi™-enabled device or Qi™-enabled case.*

SCAN FOR THE FULL GUIDE

Wireless Smartphone  
Charging Video

Refer to page 2 for more  
information on QR codes.  
[youtube.com/KiaFeatureVideos](https://youtube.com/KiaFeatureVideos)

### QUICK TIPS

- The smartphone must be a compatible phone with Qi™ function available
- For wireless charging to occur, all doors (excluding rear hatch) must be closed and the Smart Key Fob must be detected inside the vehicle
- For best results, place the smartphone on the center of the charging pad
- Removing the phone case may improve charging efficiency and ensure a secure connection
- If wireless charging does not work, move the smartphone around the pad until the charging indicator turns amber
- Avoid placing other metal items in the bin while charging as to not impede the charging area

### REMINDERS:

- Some smartphone models are not Qi™ certified, which may affect the availability, speed or performance of the wireless charging
- If any door is opened, charging will be disabled
- The smartphone must be a compatible phone with Qi™ function available
- Avoid placing other metal items in the bin while charging as to not impede the charging area
- This vehicle is equipped with wireless charging technology which allows for a device to be charged using inductive charging; however, device compatibility varies. See the Owner's Manual for more detailed information and the back page for legal disclaimers
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- **Charging Performance** - Your device's position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate includes foreign objects, such as coins or pens, and phone case thickness

Refer to section 4 in the Owner's Manual for more information.

For illustrative purposes only. Your actual display, buttons and/or features may vary.

## Smart Key with Remote Start<sup>†4</sup>

- A** Press to lock all doors
- B** Press to unlock driver's door. Press twice within 4 seconds to unlock all doors
- C** Press and hold for more than 1 second to unlock the liftgate and open manually (or automatically with Smart Power Liftgate\*)
- D** Press and hold more than half a second for panic alarm. To turn off the alarm, press any button
- E Remote Start:** To start the vehicle, first press the lock button **A**, then press and hold the Remote Start button for more than two (2) seconds, within four (4) seconds of unlocking the doors. Press once to turn off the vehicle

### Mechanical Key **F**:

- Use to unlock/lock driver's door:
  1. Remove door handle keyhole cover with mechanical key by pressing up into slot in the bottom of the handle as shown **G**
  2. Insert mechanical key **H** and turn left to unlock driver's door
  3. Insert mechanical key **H** and turn right to lock driver's door
  4. Return mechanical key to its original location
- Use to lock and unlock glove box

### QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button (lock button side closest) and press to start the engine
- The Smart Key's signal can be blocked by the normal operation of a cellular phone or smart-phone. To help prevent this, store each device separately
- When reinserting the mechanical key into the fob, make sure it is pushed all the way in until there is a click sound

### REMINDERS:

- The liftgate unlocks when the Smart Key is within close proximity of the vehicle
- Remote button configuration may vary depending on vehicle options
- Repeated removal could ruin the integrity of the keyhole cover
- If the Smart Key battery continues to not work properly, visit your local Kia Dealer. Note, charges may apply

*Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.*

*For illustrative purposes only. Your actual display, buttons and/or features may vary.*

## Smart Power Liftgate with Auto Open/Close<sup>\*†5</sup>

The Smart Power Liftgate can be operated from several controls to either open, close or lock the liftgate. To turn the Smart Power Liftgate features on from the Infotainment System, go to Vehicle Settings - Press SETUP, VEHICLE, DOOR, and ENABLE SMART LIFTGATE.

**Opening/closing with no-touch activation:** When the Smart Key fob is on your person and you are within proximity to the back of the vehicle, hazard lights will blink, and chimes will sound before the Smart Power Liftgate opens automatically. When liftgate is open and you approach the back of the vehicle, with the Smart Key on your person, a chime will sound, and the liftgate will automatically close.

**Liftgate button operation:** From inside the vehicle, press and hold the Smart Power Liftgate Open/Close button **A** to automatically open/close the liftgate. From the rear of the vehicle, to open the Smart Power Liftgate automatically, press the Liftgate Release button on the liftgate **B**. Automatically close by pressing the Smart Power Liftgate Close button **C** located inside the liftgate lid. Press the Auto Close Off button **D** to disable Auto Close.

**Liftgate operation via Smart Key:** To open or close the Smart Power Liftgate, press and hold the Smart Key Liftgate button **E** until the liftgate begins opening or closing.

(Button located on driver's panel, left of the steering wheel)

### QUICK TIPS

- To cancel the Smart Power Liftgate while automatically opening or closing, press any button on the Smart Key fob
- The liftgate must be unlocked before it can be opened by the liftgate Release button
- The liftgate unlocks automatically and can be opened manually when the Smart Key is within close proximity to the vehicle

### REMINDERS:

- When closing, be mindful of any objects or persons
- Refer to the Owner's Manual for more information on operating procedures, settings and cautions

(located inside Liftgate lid)

# HomeLink® with Auto-Dimming Rearview Mirror\*†3

The HomeLink® / Auto-Dimming Rearview Mirror\* is designed to reduce glare from a vehicle's headlights located in the rear and to connect up to three electronic transmitters into one location.

- A** HomeLink® Channel 1
- B** HomeLink® Channel 2
- C** HomeLink® Channel 3
- D** Garage Door Opener Status Indicator: Closing or Closed
- E** HomeLink® Operation Indicator
- F** Garage Door Opener Status Indicator: Opening or Open
- G** HomeLink® User Interface Indicator

SCAN FOR THE FULL GUIDE

HomeLink® Website

Refer to page 2 for more information on QR codes.  
[youtube.com/KiaFeatureVideos](https://www.youtube.com/KiaFeatureVideos)

## How to Sync Transmitter with HomeLink®

If programming for the first time, begin with Step 1 (repeating this step will delete all information).

To program non-rolling and rolling code garage door openers and other devices:

1. Press and hold the left **A** and **C** buttons simultaneously until the indicator light **G** begins to flash (to reprogram buttons, skip this step)
2. Press and hold the desired button **A**, **B** or **C** and hold the button on the transmitter while it is approximately 1 to 3 inches away from the mirror. The HomeLink® Indicator light **E** will flash rapidly once the frequency signal has been successfully programmed

To finish programming rolling code garage door openers, complete these steps:

3. Locate the "learn" or "smart" button on the garage door's motor head unit. Press and release the button and complete Step 4 within 30 seconds
4. Firmly press and release the programmed HomeLink® button up to three times

## Operating HomeLink®:

Press the desired programmed HomeLink® button to operate.

## Erasing programmed buttons:

Press and hold the **A** and **C** buttons simultaneously for approximately 20 seconds, and then release both buttons within 30 seconds.

### QUICK TIPS

- You can reprogram a single HomeLink® button by repeating Step 2
- Erasing the programmed buttons will delete all trained transmitters

*If your garage door opener was manufactured in 2011 or later, and you're unable to program your vehicle's HomeLink® system, you may need to purchase a HomeLink Repeater Kit.*

*For more information, go to [www.HomeLink.com](http://www.HomeLink.com) or call (800) 355-3515.*

## Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

**Safety Features:** No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2025 and newer Kia vehicles with Kia Connect includes a complimentary 3-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 3-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at [owners.kia.com/us/en/privacy-policy.html](https://owners.kia.com/us/en/privacy-policy.html)) and Terms of Service (available at [owners.kia.com/us/en/terms-of-service.html](https://owners.kia.com/us/en/terms-of-service.html)). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Connect may currently be unavailable for Model Year 2025 and newer vehicles sold or purchased in Massachusetts; please see the Kia Owners Portal for updates on availability. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit [www.kia.com](https://www.kia.com) or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Kia Access app** for smartphone and smartwatch requires enrollment of vehicle in Kia Connect. Remote features require a KiaConnect subscription, a compatible smart device, and a wireless signal with good coverage to function. Normal cellular service rates may apply. Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command. Remote feature support varies by model, model year and trim; remote climate control not supported on vehicles not equipped with fully automatic temperature control.
- 3. Android Auto™, Apple CarPlay®, Bluetooth® Wireless Technology, Google Play™ Store, iPhone®, SiriusXM®, Sportmatic®, HomeLink®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 4. Engine Start/Stop Button with Smart Key:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral (N). With the engine off, power assist for steering and braking will be disabled and the vehicle will be more difficult to control.
- 5. Smart Power Liftgate:** Driving with the liftgate open may be unlawful and can draw dangerous exhaust fumes into your vehicle.
- 6. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via Bluetooth® within the cellular service coverage area is required.
- 7. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
- 8. The myQi logo** is a registered trademark of The Chamberlain Group, Inc.
