For any questions regarding the features of your vehicle, please contact your preferred Kia dealer or Kia Consumer Affairs at (800) 333-4542

Reference your Owner's Manual for more information on these features.

*Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive responsibly.

Tilt/Telescoping Steering Wheel: Never attempt to adjust steering wheel position when vehicle is in motion.

Front Seat Headrest Adjustment: Never attempt to adjust headrests when vehicle is in motion.

Bluetooth® Wireless Technology: A compatible Bluetooth® wireless technology-enabled cell phone is required to use Bluetooth® wireless technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. Other trademarks and trade names are those of their respective owners. A Bluetooth® enabled cell phone is required to use Bluetooth® wireless technology.

SiriusXM®: SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. Images above are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the data services or their use in the vehicle. Travel Link Stocks displays current price and daily delta of around 7,000 actively reported securities traded on the NYSE®, NASDAQ® and AMEX®. The service is delayed approximately 20 minutes. SiriusXM satellite service is available only to those at least 18 years of age in the 48 contiguous USA, DC, and Puerto Rico (with coverage limitations). SiriusXM Internet Radio service is available throughout our satellite service area and in AK and HI. © 2014 SiriusXM Radio Inc. A Quick Start Guide to Some of Your Kia Vehicle's Features

For Sedona and Soul vehicles equipped with Standard Audio Systems

Pair Your Phone

NOTE: Vehicle MUST be in "P" or Park

- 1 Ensure *Bluetooth®* wireless technology is turned "on" on your phone
- 2 On your Audio system, press the **PHONE** key next to the display
- 3 Select the name of your vehicle (**KIA MOTORS**) displayed on your phone
- 4 Follow the instructions on your device to confirm the passkey displayed. Press Ok or Pair to complete pairing. The contact download may take a few minutes

NOTE: Contact download will occur automatically at initial pairing

NOTE: Be sure to allow phonebook download and future auto-connection on your phone

NOTE: Ensure that only the "phone contact list" is selected for contact download (not Twitter, Facebook, or e-mail contact lists)

Using Steering Wheel Control Buttons†*

Voice button (with iPhone only)
Press to activate Siri. Press and hold to cancel Siri

Call button
Press the button to display the Dial Number screen. Press again to display the most recently made call number. Press a third time to initiate making the call to the number displayed

END CALL Button
Press to end a call or reject an incoming call

NOTE: iPhone must be paired and connected through *Bluetooth® Wireless Technology* prior to use

NOTE: Android Phones and other non-iPhones can be paired and connected to *Bluetooth® Wireless Technology* by pressing the **PHONE** key on the head unit. *Bluetooth® Wireless Technology* features such as audio streaming and calling (using the touch screen to select recent calls, dialing, and calling through contact list) are available. Voice recognition (use of voice commands) is not supported for non-iPhones

Steering Wheel Adjustment*

When adjusting the steering wheel in and out, the effort is reduced if the wheel is lifted upward when pulling out/pushing in

Standard Audio System Video

QR CODE

To view this video on your mobile device, SNAP this QR code, or visit the listed website below

NOTE: If your phone is paired and connected through *Bluetooth® Wireless Technology*, it is necessary to select media mode to hear the video's audio

www.Youtube.com/KiaFeatureVideos

*If equipped

Front Seat Headrest Adjustment*

To adjust headrest forward*: Pull headrest forward at an angle to one of several positions

To adjust headrest back*: Pull headrest completely forward at an upward angle, then release

To raise headrest: Pull headrest up

To lower headrest: Press lock, then press the headrest down

To raise headrest, pull headrest up to the desired position

To lower headrest, press and hold the release button and lower headrest to the desired position

Media Mode*

Media mode includes a variety of modes, such as USB, iPod®, *Bluetooth*® Audio, Aux, and My Music

NOTE: Only MP3 and WMA files may be played or copied to **My Music**

❶ Insert your media. Press the **(MEDIA)** key repeatedly to scroll through a list of connected devices

Copying Songs to My Music

Media Mode allows you to copy songs from USB Devices, and store them in **My Music**

❶ Press the **(MENU)** key and select the desired function

❷ Save to **My Music**: Songs on your USB device can be saved to **My Music**

❸ **File**: Select a file to save

❹ **Mark All**: Select all files

❺ **Unmark All**: Deselect all files

❻ **Save**: Save the selected files

Listening to your iPod®

❶ Connect an iPod® device or, if an iPod® device is already connected, repeatedly press the **(MEDIA)** key until iPod® appears on the display

NOTE: Use the iPod® cable that was supplied with your device

Listening to Music from your Bluetooth® Wireless Technology Device

❶ If not already done, pair your *Bluetooth*® wireless technology device to the Audio System

❷ Press the **(MEDIA)** key, until *Bluetooth*® Audio is displayed on the screen

❸ Press the **(Seek/Track)** key to scroll through music songs

❹ To pause a track or song streaming from your *Bluetooth*® wireless technology device, press **PLAY/PAUSE** button on screen

NOTE: Make sure that the listening volume on your mobile device is turned up

Radio Presets

How to Save a Preset

❶ Tune to the desired station and press and hold one of the preset buttons to save the preset (40 integrated AM/FM Sirius XM presets)

*If equipped

Climate Control Systems

Climate Control System functions differ between systems and vehicles. Presented below are descriptions of the most common control functions:

Fan speed control switch/knob*

Temperature control switch/knob*

Front windshield defroster button*

Automatic climate control button*

Recirculated air button

Climate information screen*

Air conditioning ON/OFF button

Rear windshield defroster button*

Mode selection button(s)*

Dual temperature control mode*

System OFF*

NOTE: Climate Control System options and the appearance and location of icons on the system in your vehicle may differ, as equipped

QUICK TIPS

- Keep interior glass surfaces as clean as possible to reduce window fogging
- Defrost Mode activates A/C and opens Fresh Air Vent
- When Automatic Climate Control is set to Auto Operation, the A/C indicator will NOT illuminate. The fan speed, air intake, air flow and air conditioning may automatically be engaged at any time to reach desired temperature and reduce humidity

QUICK TIPS

Automatic and Manual Defrosting / Defogging

Max Defrost:

- ❶ Select **Defrost** Mode
- ❷ Select **Max Fan Speed**
- ❸ Set **Temperature** to Hot

Defogging:

- ❶ Select **Defrost** Mode
- ❷ Select **Max Fan Speed**
- ❸ Select desired **Temperature**[†]

[†] If moisture appears on windshield, adjust **Temperature Control Knob** to a warmer temperature

Sound Settings

- ❶ Press the **(SETUP)** key
 - ❷ Select the on-screen **SOUND** button, **SOUND SETTINGS** or use the tuning knob
 - ❸ Select the menu item (Position, Tone, Speed Dependent Volume, Touch Screen Beep*)
 - ❹ Use the onscreen buttons or tuning knob to adjust settings
 - ❺ Press the return button to save settings
- (DISPLAY)** key turns the display on/off

Your Features and Functions Guide, located in your glove box, contains much more information on these, and other available features of your Kia vehicle.
