

Climate Control System

Climate Control System functions differ between systems and vehicles. Presented below are descriptions of the most common control function:

Fan speed control switch/knob*

Temperature control switch/knob*

Front windshield defroster button*

Automatic climate control button*

Recirculated air button

Climate information screen*

Air conditioning ON/OFF button

Rear windshield defroster button*

Mode selection button(s)*

Dual temperature control mode*

System OFF*

NOTE: Climate Control System options and the appearance and location of icons on the system in your vehicle may differ, as equipped

QUICK TIPS

Automatic and Manual Defrosting / Defogging

Defrost Outside Windshield:

- Select **Defrost** Mode
- Select **Max Fan Speed**
- Set **Temperature** to Hot

Defog Inside Windshield:

- Select **Defrost** Mode
- Select **Max Fan Speed**
- Select desired **Temperature***

*If moisture appears on windshield, adjust **Temperature Control Knob** to a warmer temperature

QUICK TIPS

- Keep inside glass as clean as possible to reduce window fogging
- Defrost Mode activates A/C and opens Fresh Air Vent
- When Automatic Climate Control is set to Auto Operation, the A/C indicator will NOT illuminate. The fan speed, air intake, air flow and air conditioning may be engaged automatically at any time to reach desired temperature and reduce humidity

Front Seat Headrest Adjustment*

To adjust headrest forward*: Pull headrest forward at an angle to one of several positions.

To adjust headrest back*: Pull headrest completely forward at an upward angle, then release.

To raise headrest: pull headrest up to the desired position

To lower headrest, press and hold the release button and lower headrest to the desired position

To adjust headrest forward, pull the headrest forward to the desired position

To adjust headrest backward, press and hold the release button and push the headrest backward to the desired position

Steering Wheel Adjustment

When adjusting the steering wheel in and out after unlocking, the effort is reduced if the wheel is lifted upward when pulling out/pushing in.

*If equipped

Your Features and Functions Guide, located in your glove box, contains much more information on these, and other available features of your Kia vehicle. You can also view Features and Functions Videos to learn more about using the many new features of your vehicle by visiting www.KuTechVideos.com.

INT: Intermittent wipe*
OFF: Wiper off

For any questions regarding the features of your vehicle, please contact your preferred Kia dealer, or contact Kia Consumer Affairs at (800) 333-4Kia (4542)

Reference your Owner's Manual or UVO System User's Manual, for more information on these features.

*Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving. Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and use of any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive responsibly.

Tilt/Telescoping Steering Wheel: Never attempt to adjust steering wheel position when vehicle is in motion.

Front Seat Headrest Adjustment: Never attempt to adjust headrests when vehicle is in motion.

Bluetooth® Wireless Technology: A compatible Bluetooth® wireless technology-enabled cell phone is required to use Bluetooth® wireless technology. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. Other trademarks and trade names are those of their respective owners. A Bluetooth® enabled cell phone is required to use Bluetooth® wireless technology.

SiriusXM™: SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Other fees and taxes will apply. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. Images above are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the data services or their use in the vehicle. Travel Link Stocks displays current price and daily delta of around 7,000 actively reported securities traded on the NYSE®, NASDAQ® and AMEX®. The service is delayed approximately 20 minutes. SiriusXM satellite service is available only to those at least 18 years of age in the 48 contiguous USA, DC, and Puerto Rico (with coverage limitations). SiriusXM Internet Radio service is available throughout our satellite service area and in AK and HI. © 2014 SiriusXM Radio Inc. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio Inc.

UVO eServices app: Apple iPhone® and select Android™ devices only are UVO eServices compatible. iPhone® is a registered trademark of Apple Inc. Android™ is a registered trademark of Google Inc. No subscription fee for UVO eServices. No charge for the UVO eServices app. App uses your smartphone cellular data service. Normal data rates will apply.

iPod® is a registered trademark of Apple Inc. iPod® mobile digital device sold separately.

*Parking Minder feature operates with certain smartphone devices with activation of app and relies on the GPS within the user's phone. Normal cellular service rates apply.

While the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance or after the fact, and assumes no liability in connection with such changes.

See next page for Voice Recognition tips

Pair Your Phone via *Bluetooth*® Wireless Technology

NOTE: Vehicle **MUST** be in “P” or Park

- ➊ On your UVO system, press the **PHONE** key next to the display
- ➋ On the display, press **Connections**
- ➌ Press **Add Device**
- ➍ In the *Bluetooth*® menu of your phone, select **Search for *Bluetooth*® Devices**. Select the name of your vehicle (KIA MOTORS) displayed on your phone
- ➎ Follow the instructions on your device to confirm the passkey displayed. Press **Ok** or **Pair** to complete pairing. The contact download may take a few minutes

NOTE: Contact download will occur automatically at initial pairing

NOTE: Be sure to allow phonebook download and future autoconnection on your phone

NOTE: Ensure that only the “phone contact list” is selected for contact download (not Twitter, Facebook, or e-mail contact lists)

For any questions regarding the features of your vehicle, please contact your preferred Kia dealer, or contact Kia Consumer Affairs at (800) 333-4Kia (4542)

⌚ QUICK TIPS

Voice Recognition and Phone Contact Tips

The Kia Voice Recognition System may have difficulty understanding some accents or uncommon names. When using Voice Recognition to place a call, speak in a moderate tone, with clear pronunciation. Voice Recognition performance can be improved by ensuring all windows and sunroof are closed, and that Climate Control System fan speed has been lowered to reduce noise in the cabin.

To maximize the use of Voice Recognition, consider these guidelines when storing contacts:

- Use full names vs. short or single syllable names (“John Smith” vs. “Dad”, “Smith Residence” vs. “Home”)
- Avoid using special characters or hyphens (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms (“In Case Emergency” vs. “ICE”)
- Spell words completely, no abbreviations (“Doctor Goodman” vs. “Dr. Goodman”)

NOTE: Always wait for the beep before speaking any commands.

Snap this tag with a QR code reader app on your smart phone to view a video.

Media Mode

Media mode includes a variety of modes, such as CD, USB, iPod®, Jukebox, *Bluetooth*® Audio, and Aux

NOTE: Only MP3 and WMA files may be played or copied to Jukebox

- ➊ Insert your media or connect your device. Press the **MEDIA** key on the UVO System until the desired device or Jukebox is selected
- ➋ To pause a track or song, press **Pause (II)** on the display. Press **Play (▶)** to resume playback

Copying Songs to Jukebox

The UVO system allows you to copy songs from MP3 CDs and USB Devices, and store them in Jukebox

- ➊ While the song is playing, press **Copy**
- ➋ Once copying is complete, you can listen to the copied music in Jukebox mode

NOTE: Only MP3 and WMA files may be played or copied to Jukebox

Listening to your iPod®

- ➊ Connect an iPod® device or, if an iPod® device has already been connected, press the **MEDIA** key on the UVO system

NOTE: Use the iPod® cable that was supplied with your device

- ➋ To pause a track or song, press **Pause (II)** on the display. Press **Play (▶)** to resume playback

Manually Selecting iPod® Music

- ➊ Turn the **TUNE** knob to scan through the file selections
- ➋ When you find the desired song, press the **TUNE** knob to select and play

Selecting iPod® Music from a List

- ➊ Press **Menu** on the display, then choose a category by rotating the **TUNE** knob. Press **TUNE** knob to select your choice.
- ➋ Press the name of the file from the list. The file will start playing automatically

Listening to Music from your *Bluetooth*® Wireless Technology Device

- ➊ If not already done, pair your *Bluetooth*® wireless technology device to the system
- ➋ Press the **MEDIA** key until *Bluetooth*® Audio Mode is selected
- ➌ To pause a track or song streaming from your *Bluetooth*® wireless technology device, press **Play/Pause (▶II)** on the display. Press **Play/Pause (▶II)** to resume playback

Sound Settings

- ➊ Press the **Sound** button on the main screen of any audio mode (AM, FM, Sirius XM, Media, Pandora, Jukebox) to modify sound settings such as fader, balance, and tone. Treble, middle, bass are found within the tone settings
- ➋ Use the arrow keys on the right side of the screen to see all categories for sound settings.

Storing Presets

- ➊ In any radio mode (AM, FM, SiriusXM,) press the **Presets** button.
- ➋ Select the desired channel by rotating the tuner knob and press to select channel.
- ➌ From the preset list, press and hold the preset number button to save the channel.

UVO eServices

Setting up UVO eServices

- ➊ Using a compatible smartphone to access your App Store, download the free Kia UVO app
- ➋ In your smartphone's settings, ***ensure that Location Services are enabled***
- ➌ Using the Kia UVO app, register for a new MyUVO.com account
- ➍ Follow the In Car Setup Instructions on the Kia UVO app to complete the UVO eServices Activation

Using Parking Minder®

- ➊ Make sure your smartphone is Bluetooth connected to the system and logged in to the Kia UVO app
- ➋ After parking, and with the vehicle in Park (P), but ***before turning off the ignition***, press the **eSERVICES** key, then select Parking Minder on the display
- ➌ The Kia UVO app will register your vehicle's current parking location. When this is completed turn the ignition off
- ➍ The Kia UVO app on your Smartphone will now help locate your parked Kia

NOTE: Visit www.MyUVO.com to view a phone compatibility list for UVO eServices

Using Steering Wheel Control Buttons⁺

These buttons on your steering wheel provide you with “hands free” control over your mobile phone equipped with *Bluetooth*® wireless technology, Audio System, and UVO System.

TALK Button
(Press to place a call with minimal vocal command prompts from the system)

RECEIVE CALL Button
(Press to display phone info. Press again to display call history or to answer an incoming call)

END CALL Button

There are two ways to use the steering wheel control buttons to place a call.

NOTE: Remember to always wait for the beep before speaking any commands
