

Features & Functions Quick Reference Guide

Forte

WELCOME TO THE KIA FAMILY!

Your new Kia vehicle has been designed, engineered and manufactured to provide you with years of comfortable and dependable driving. Kia is committed to quality, innovation, safety and — above all — your satisfaction.

USING THE QUICK GUIDE AND ACCESSING VIDEOS

The information contained in this guide is a brief overview of the operation and features of your new Kia vehicle.

Kia provides a full version of the Features & Functions Guide and a number of video resources to assist you with becoming familiar with the features and functions found in your Kia vehicle. You can access these resources by snapping the QR Codes with your mobile device using your camera, a built-in QR Code Reader or a downloaded QR Code Reader App.

You can also view the videos by visiting the following website:

www.youtube.com/KiaFeatureVideos

QUICK TIPS

If you're having trouble scanning codes, check the following:

- The code should be centered and focused in your mobile device's camera screen
- Consider moving your device closer to or farther away from the code
- The code should be well lit, without significant shadow
- Avoid scanning from a significant angle
- Confirm that the device's app supports 2D QR Code scanning
- Try another QR Code Reader App; not all apps are created equal
- After scanning, you may experience a "connection error" message or a "connecting" message with no subsequent response. These messages typically indicate that your device is having trouble connecting to the Internet

To access the FULL version, click [HERE](#) or scan the QR code below.

This Features & Functions Guide and the specific operational and safety information it provides are not a substitute for your Owner's Manual.

While Kia endeavors to ensure that the information contained in this guide is accurate at the time of printing, Kia may change vehicle specifications without notice in advance of or after the fact and assumes no liability in connection with such changes.

As you get to know your new Kia, you can explore this booklet to better understand how to operate its many features and systems. Be sure to review the following to better understand some of your Kia's most used features:

- 1 Bluetooth® Wireless Technology 4
- 2 Voice Recognition 5
- 3 User Settings* - Instrument Cluster 5
- 4 Kia Connect^{†1} Activation 6
- 5 Vehicle Settings* - Infotainment System 6
- 6 Kia Access App Download 7
- 7 Kia Access App Features Guide 7
- 8 Automatic Climate Control* 8
- 9 Manual Climate Control* 9
- 10 Wireless Smartphone Charging System* 10
- 11 Smart Key with Remote Start* 11
- 12 Legal Disclaimers Back Cover

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury or death. The driver's primary responsibility is in the safe and legal operation of a vehicle. Handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle, are not permissible by law, and should never be used during operation of the vehicle.

Customer/Roadside Assistance^{†4}: 1-800-333-4KIA
(800-333-4542)

Bluetooth® Wireless Technology† 2,5

- A Volume button:** Press up/down to raise/lower speaker volume
- Mute button:** Press to mute the microphone during a call and to mute the audio system speakers, or to pause *Bluetooth®* streaming media.
- B Voice Recognition button:** When a phone is paired, press and hold the Voice Recognition button to activate the phone's native system, like Siri®¹² or Google Assistant®¹². Press briefly to activate voice recognition/bring up menus/place calls with minimal voice command prompts from the system. Press again to exit voice recognition.
- Kia Connect with Navigation system*** - When enrolled with a Kia Connect subscription, press this button briefly to activate the Kia Connect Voice Assist to use navigation guidance and search destinations.
- C Call / End Call button:** Press to receive/place/end calls. Press and hold to reject an incoming call or cancel a function. If no phone is paired, press button to pair a phone.
- D Custom Button ★ (Steering Wheel):** Press and hold to set the button to bring up certain menus on the infotainment/audio system screen. Press briefly to go that menu.

Pairing a Phone

For instructions on how to pair a phone, refer to the audio system's user's guide or your vehicle's Quick Start Guide.

How to Place a Call

When using the voice command feature, wait for the system BEEP before speaking the command. There are two options for placing a call using the Steering Wheel controls:

- Option 1:** Press the Call / End Call button **C** (displays the call history)
- Option 2:** Press the Voice Recognition button **B**. Then say the command "Call {name}" or Dial {number}

QUICK TIPS

- The system can register or pair multiple *Bluetooth®* devices. See the Car Infotainment System Quick Reference Guide for more information on setup and limitations
- When using the voice command feature, wait for the system BEEP before speaking the command
- Phonebook transfer upload time varies by phone model and with number of phonebook entries
- Because of differences in phone quality, service providers and *Bluetooth®* Wireless Technology chip programming, functionality may differ from one phone to another
- During the pairing process, be sure to accept the connection requests on the phone for phonebook download and to allow acceptance of all future *Bluetooth®* connection requests.

REMINDER: *Bluetooth®* Wireless Technology audio and calling functions are supported when connected to a *Bluetooth®* enabled device.

Star, Favorite & Radio Presets Buttons Video

Refer to the inside front cover for more information on QR codes.
www.youtube.com/KiaFeatureVideos

Your vehicle's steering wheel buttons may differ from those in the illustrations. See your Owner's Manual for more details.

Driving while distracted is dangerous and should be avoided. Drivers should remain attentive to driving and always exercise caution when using the steering-wheel-mounted controls while driving.

For more information, refer to the Car Infotainment System Quick Reference Guide. For *Bluetooth®* Wireless Technology FAQs, go to www.kia.com, Owners section, or call Consumer Information for *Bluetooth®* Technology at (800) 333-4KIA. Refer to your Owner's Manual for more specific *Bluetooth®* Wireless Technology phone pairing and operation instructions.

Voice Recognition^{† 2,5}

The system may have difficulty understanding some accents or uncommon names. Improve the performance by making a few simple changes to your phone contacts, listed below. To help optimize the *Bluetooth*[®] Wireless Technology Voice Recognition system, see other tips and reminders under Quick Tips.

- Use full names (first and last names) vs. short or single-syllable names ("John Smith" vs. "Dad," "Smith Residence" vs. "Home")
- Avoid using special characters, emojis or hyphenated names (@, &, #, /, -, *, +, etc.)
- Avoid using acronyms ("In Case of Emergency" vs. "ICE") or words with all capital letters
- Spell words completely, no abbreviations ("Doctor Smith" vs. "Dr. Smith")

QUICK TIPS

- *Bluetooth*[®] Music Streaming - If the *Bluetooth*[®] music is inaudible or too low, you may need to turn up the volume on the connected phone.
- When placing a call, speak in a natural, moderate tone, with clear pronunciation. The system may have trouble recognizing commands if you speak too softly or too loudly
- Always wait for the beep before speaking any commands
- Close windows and sunroof and turn off A/C - Open windows, sunroof, weather (wind/rain), or an A/C fan operating at higher speeds can interfere with Voice Recognition
- Press the Voice Recognition button and say "Help" to get a list of available commands

Kia Connect Activation**[†] (Systems equipped with Kia Connect only)

Follow these steps to activate your Kia Connect system:

1. To enter the activation screen on your infotainment system:
 - a. Press SETUP key
 - b. Press Kia Connect icon
 - c. Press Activate
2. Read and agree to Terms of Service and Privacy Policy and press SUBMIT
3. Enter smartphone number or email address to receive a verification code, then press SUBMIT
4. Follow these steps to receive your verification code using your phone text message or email:
 - a. Click the link in your text message or email. A page will open requesting that you create your account

Note: If you already have a Kia Owners Portal account using the email or phone number as your login ID, you will need to provide your password prior to receiving the verification code

- b. Enter your first name, last name, email, phone number, an account password, and click CREATE ACCOUNT. A page will open displaying your verification code
- c. Enter the code in the Infotainment System and press ACTIVATE
- d. On your phone, go back to the page with your verification code and press "I have entered my verification code." A link will be provided to download the Kia Access app from your app store. After installing, log in and enjoy

REMINDER: This vehicle is not equipped with over-the-air system updates.

Kia Connect may be unavailable for model year 2022 and newer vehicles sold or purchased in Massachusetts. See Kia Connect Terms of Service at owners.kia.com for more information.

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe bodily injury, and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment, or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or which are not permissible by law should never be used during operation of the vehicle.

Vehicle Settings* - Infotainment System

To enter the Vehicle Settings mode in the Infotainment System, press the **SETUP** key on the Infotainment System. Then press Vehicle , which will take you to Vehicle Settings. Use the touchscreen to navigate through the menus.

Driver Assistance*: SCC Reaction*, Driving Convenience*, Warning Time*, Warning Volume*, Driver Attention Warning*, Forward Safety*, Lane Safety*, Blind-spot Safety*, Parking Safety*

Climate: Recirculate Air*, Automatic Ventilation*, Defog/Defrost Options*

Lights: Ambient Light*, One-Touch Turn Signal*, Headlight Display*, High Beam Assist*

Door: Remote Window Control*, Auto Lock*, Auto Unlock*, Two-Press Unlock*, Smart Trunk*

Cluster: Illumination*, Service Interval*, Content Selection*, Welcome Sound*

Convenience: Rear Occupant Alert*, Wireless Charging System*

Driving while distracted is dangerous and should be avoided. Do not attempt to change vehicle system settings while driving.

Refer to section 4 in the Owner's Manual for more information.

Kia Access App Download

Go to an app marketplace to download the Kia Access App. Once you download the app, make sure you register your vehicle and start an account (refer to Kia Connect Activation page). Get to know your new Kia and the available convenient features on the app.

QUICK TIPS

- The smartphone and vehicle need to be connected to a cellular network with a good wireless signal strength in order to use Kia Connect. If these conditions are not met, remote commands may not execute or may take longer to execute. It will also affect voice commands such as navigation POI or address search
- To use Remote Start* or Remote Start* with Climate Control feature, all doors, hood and trunk/liftgate must be closed and locked
- When Remote Start* is activated, if the driver does not enter the vehicle within 10 minutes, Remote Start* will turn the engine off
- When using Remote Start* with Climate Control, turn on for at least a few minutes before getting into the vehicle, allowing the vehicle interior to reach your desired temperature
- The quickest way to obtain accurate vehicle status through the app is by pressing the refresh button on the app or refreshing the web page when using the customer web portal
- In order to preserve the vehicle battery, Kia Connect will not turn on seven days after the last ignition was on. You will need to restart the vehicle with a key fob in order to use Kia Connect again

Kia Connect^{†1} is currently unavailable for model year 2022 vehicles sold or purchased in Massachusetts. See Kia Connect Terms of Service at owners.kia.com for more information. For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.

Kia Access App Features Guide

The Kia Access App Features Guide is a guide helping you utilize the app to its full potential by detailing how to use each feature and adjust various settings. Below are some of the topics included:

- Remote Commands
- Set Climate*
- Schedule Service
- Dealer Settings
- Manage Vehicles and Profiles

Kia Connect may be unavailable for model year 2022 and newer vehicles sold or purchased in Massachusetts. See Kia Connect Terms of Service at owners.kia.com for more information.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

Actual App screen and functionality may vary. For further Kia Connect operations, refer to the Car Infotainment System Quick Reference Guide.

Automatic Climate Control*

Climate Control Auto Function:

1. Press **AUTO** to select Full Auto Operation - The Auto setting automatically controls the airflow modes, fan speeds, air intake and air conditioning according to the temperature setting selected
2. Set desired **Temperature**
3. Rotate Passenger Temperature knob to select Dual Temperature Control Operation

Auto Defogging System:

Auto Defogging is designed to reduce the fogging up of the inside of the windshield by automatically sensing the moisture of the inside of the windshield. The system will automatically change to defrost mode when needed.

Auto Defogging is set on by default. To cancel Auto Defogging, press the Front Defrost button  for three seconds, when the ignition is on (ADS OFF icon will illuminate). To turn Auto Defogging on again, press the Front Defrost button  for three seconds.

To Defrost Outside Windshield: Set Temperature to hot. Press the Front Defrost button .

To Defog Inside Windshield: Set Fan Speed to highest position. Set Temperature to highest position, then press the Front Defrost button .

To select Air Flow Modes, press the mode selection buttons:

 Face-Level  Floor-Level  Bi-Level  Floor/Defrost-Level

QUICK TIPS

- Defrost Mode  activates A/C and opens Fresh Air Vent to help dehumidify the air and improve Defroster performance
- During Auto Operation, the A/C indicator will NOT illuminate. The fan speed, air intake, airflow and air conditioning may automatically be engaged at any time to reach desired temperature and reduce humidity
- Keep inside glass as clean as possible to reduce window fogging

REMINDERS:

- Cold or warm ambient air may flow in through vents if Recirculated Air button is not pressed ON (LED lit)
- Pressing any button during AUTO operation will deactivate the AUTO function and switch to manual mode, except for Temperature Control or SYNC Temperature Control
- Continuous use of the climate control system in the recirculated air position may allow humidity to increase inside the vehicle which may fog the glass and obscure visibility
- When in AUTO mode, Air Flow Mode and Fan Speed do not display on the Climate Control Display

QR CODES

Automatic Climate Control Operation Video

Refer to the inside front cover for more information on QR codes.
www.youtube.com/KiaFeatureVideos

Your Automatic Climate Control system may differ from those in the illustrations. Refer to section 4 in the Owner's Manual for more information.

Manual Climate Control*

Defrost Outside Windshield:

1. Set **Fan Speed** to the highest position
2. Set **Temperature** to **hot**
3. Press the **Front Defrost** button 

Defrost Inside Windshield:

1. Set **Fan Speed** to desired position
2. Set desired **Temperature**
3. Press the **Front Defrost** button 

Air Flow Modes

To select Air Flow Modes, press the Mode selection buttons:

-  Face-Level
-  Bi-Level
-  Floor-Level
-  Floor/Defrost-Level
-  Defrost-Level

QUICK TIPS

- Defrost mode activates A/C and opens Fresh Air Vent to help dehumidify the air and improve Defroster performance
- Keep inside glass as clean as possible to reduce window fogging
- MAX A/C mode automatically engages Recirculated Air

REMINDERS:

- Warm air may flow in through vents if Recirculated Air button is not pressed ON (LED lit)
- Continuous use of the climate control system in the recirculated air position may allow humidity to increase inside the vehicle which may fog the glass and obscure visibility

Your Manual Climate Control system may differ from those in the illustrations.

Refer to section 4 in the Owner's Manual for more information.

Wireless Smartphone Charging System*†6

Charge a compatible Qi Certified smartphone wirelessly by placing it on the tray **A** at the front of the console, near the Multimedia USB ports and the charging indicator, while the ignition is on.

1. Enable Wireless Charging in the User Settings mode in the Instrument Cluster* or Vehicle Settings* in the Infotainment System, select Convenience then Wireless Charging System
2. Place compatible smartphone on the center of the charging pad **A**
3. All doors must be closed
4. Indicator light **B** may change to amber once the wireless charging begins
5. Once charging is complete, the amber light may change to green

QUICK TIPS

- The smartphone must be a compatible Qi certified phone with Qi function available. Some smartphone models are not Qi certified, which may affect the availability, speed or performance of the wireless charging
- For wireless charging to occur, all doors (excluding trunk) must be closed & the Smart Key Fob must be detected inside the vehicle
- For best results, place smartphone on the center of the charging pad
- If wireless charging does not work, move smartphone around the pad until the charging indicator turns amber. Avoid placing other metal items in the bin while charging as to not impede the charging area

REMINDERS:

- If driver door is opened, charging will be disabled
- The smartphone must be compatible with Qi charging in order to wirelessly charge
- Avoid placing other metal items in the bin while charging as to not impede the charging area
- Wireless charging technology allows for a device to be charged using inductive charging. See your Owner's Manual for more detailed information
- The wireless charger uses inductive charging, which is less efficient than conventional charging through a cable
- Charging Performance: Device position on the wireless charging system can affect charging performance. Other factors that may affect the charging rate include foreign objects, such as coins or pens, and phone case thickness

For illustrative purposes only. Your actual display, buttons and/or features may vary.

Refer to section 4 in the Owner's Manual for more information.

Smart Key with Remote Start^{*†3}

- A** Press to lock All Doors; Press and hold for more than 3 seconds to activate Remote Window Closing*. Release to stop. To enable this feature, go to User Settings in the Instrument Cluster > LCD Display > Door > Remote Window Control*
- B** Press to unlock Driver's Door; Press twice within 4 seconds to unlock All Doors; Press and hold for more than 3 seconds to activate Remote Window Opening*. Release to stop. To enable this feature, go to User Settings in the Instrument Cluster > LCD Display > Door > Remote Window Control*
- C** Press and hold to open Trunk. Then lift lid by the handle to manually open Trunk
- D Remote Start***: Lock the doors by pressing the door lock button **A** within 32 feet from the vehicle. Within four (4) seconds of pressing the door lock button **A**, press and hold the Remote Start button **D** for more than two (2) seconds to start the vehicle. To stop the Remote Start operation, press the button again. If driver doesn't enter vehicle within ten minutes of starting the vehicle, the engine will automatically turn off
- E** Press and hold more than 1 second for Panic Alarm. To turn off Alarm, press any button
- F** Press to release Mechanical Key

Driver's Door Lock/Unlock button **G**:

- Press button once to unlock Driver's Door
- Press again within 4 seconds to unlock All Doors
- Press again to lock All Doors

Mechanical Key **H**:

- Use to unlock Driver's Door (To remove keyhole cover, insert Mechanical Key into dent under cover and pull door handle)
- Use to turn the Child-Protector Rear Door Locks on or off

QUICK TIPS

- If the Smart Key battery is weak or not working properly, hold the Smart Key fob up to the Engine Start/Stop button (Lock button side closest) and press to start engine
- The Smart Key's signal can be blocked by the normal operation of a cellular phone or smartphone. To help prevent this, store each device separately

REMINDERS:

- Trunk lid will partially open. To fully open, lift up manually
- The Trunk unlocks when the Smart Key is within close proximity of the vehicle
- Remote button configuration may vary depending on vehicle options
- When reinserting the mechanical key, make sure it is pushed all the way in until there is a click sound

For more information on the Mechanical Key, please refer to section 4 in the Owner's Manual. For illustrative purposes only. Your actual display, buttons and/or features may vary.

Do not use remote climate control or remote start if vehicle is in an enclosed area (e.g., closed garage) or a partially enclosed area without ventilation. Close all doors leading from adjacent living areas to the vehicle area before executing a remote climate control or remote start command.

Legal Disclaimers

Driving while distracted can result in a loss of vehicle control that may lead to an accident, severe personal injury and death. The driver's primary responsibility is in the safe and legal operation of a vehicle, and any handheld devices, other equipment or vehicle systems which take the driver's eyes, attention and focus away from the safe operation of a vehicle or that are not permissible by law should never be used during operation of the vehicle.

Safety Features: No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely.

- 1. Kia Connect:** Purchase/lease of certain 2023 and newer Kia vehicles with Kia Connect includes a complimentary 1-year subscription starting from new vehicle retail sale/lease date as recorded by the dealer. After your complimentary 1-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate or your use of certain Kia Connect features may immediately terminate. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy (available at owners.kia.com/us/en/privacy-policy.html) and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Complimentary Kia Connect subscription is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Connect may currently be unavailable for Model Year 2023 and newer vehicles sold or purchased in Massachusetts; please see the Kia Owners Portal for updates on availability. Kia Access app is available from the Apple® App Store® or Google Play Store™. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage is required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. For more on details and limitations, visit www.kia.com or your authorized Kia dealer. Apple® and App Store® are registered trademarks of Apple Inc. Google™ and its logos are trademarks of Google LLC.
- 2. Android Auto™, Apple CarPlay®, Bluetooth® Wireless Technology, Google Play™ Store, Google Assistant®, Siri®, iPhone®, SiriusXM®, Sportmatic®, HomeLink®:** Fair Use of Trademark - The commentary reference to trademarked material is for educational purposes only and not an endorsement by or of the holder of the mark.
- 3. Engine Start/Stop Button:** Always come to a complete stop before turning the engine on or off. However, if you have an emergency while the vehicle is in motion and must turn the engine off, you can turn the engine off to the ACC position by pressing the Start/Stop button for more than 3 seconds or 3 times in succession. If the vehicle is still moving, you can restart the engine by pressing the Start/Stop button with the shift lever in Neutral (N). With the engine off, hydraulic power assist for steering and braking will be disabled and the vehicle will be more difficult to control.
- 4. Roadside Assist:** 24-hour Enhanced Roadside Assistance is a service plan provided by Kia America, Inc. Certain limitations apply. Coverage details are available in the Kia Warranty and Consumer Information Manual. For access to Enhanced Roadside Assistance, a connected mobile phone via *Bluetooth®* within the cellular service coverage area is required.
- 5. Steering-wheel-mounted controls:** Driving while distracted is dangerous and should be avoided. Remain attentive to driving and be cautious when using steering-wheel-mounted controls while driving.
- 6. The myQi logo** is a registered trademark of The Chamberlain Group, Inc.
